## RESOLUTION AND ASSIGNMENT

**Date: December 31, 2012**

**TO: STEVEN C. MILLWEE (PATENT OWNER)**

Mr. Millwee, this certificate hereby affirms that your patent, 7,979,908 (issued on July 12, 2011), titled, "Method and system of verifying and authenticating background and consumer records" has been assigned to you by SecurTest, Inc. As you were the inventor of the patent, and in accordance with our licensing agreement with you, the U.S. Patent and Trademark Office should be notified that we have assigned your patent to you.

Pursuant to the licensing agreement with you, SecurTest elects to continue the licensing agreement to use said patent in accordance with its terms and conditions.

Sincerely,

SecurTest, Inc.

Steven C. Millwee, CPP  
President and CEO

**CLARIFYING STATEMENT FOR LICENSE  
OF THE FIRST MILLWEE PATENT**

This Clarifying Statement is made on the 1st day of February, 2014, (“**Effective Date**”) by and is between, Steven C. Millwee, having a mailing address of 1720 Epps Bridge Parkway, Suite 108-380, Athens, GA 30606 (“**Assignor**”), and SecurTest, Inc., a Georgia corporation, having a mailing address of 1720 Epps Bridge Parkway 108-380, Athens, Georgia 30606 (“**Assignee**”).

**BRIEF TITLE HISTORY FOR THE FIRST MILLWEE PATENT**

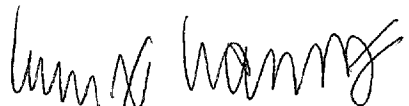

WHEREAS, Steven C. Millwee (as the owner and inventor) of the Millwee Patent (defined as U.S. Patent No. 7,979,908, issued July 12, 2011 and any and all continuations/divisionals) and SecurTest, Inc. of 1720 Epps Bridge Parkway 108-380, Athens, Georgia 30606 entered into a non-exclusive patent license agreement (“**First Patent License**”) on February 11, 2005. A document entitled, “RESOLUTION AND ASSIGNMENT,” having SecurTest letterhead dated and signed on December 31, 2012 was recorded in the U.S. Patent & Trademark Office (“**USPTO**”) on January 17, 2013, at Reel No. 029649, Frame No. 0430 (“**First Recorded Document**”).

WHEREAS, both the First Patent License and the First Recorded Document contained various provisions/clauses which recited the words, “assign,” and “assignment.” Meanwhile, it was the intent of both Steven C. Millwee and SecurTest, Inc. that actual ownership and control of the Millwee Patent would remain with Steven C. Millwee alone, as a Licensor before and during the term of the First Patent License. Both parties, Steven C. Millwee (Licensor) and SecurTest, Inc. (Licensee), to the First Patent License and First Recorded Document only intended that a nonexclusive patent license exist between the parties even though the words, “assign,” and “assignment” were improperly used throughout these two documents. Both parties have signed this clarifying statement and will record this Clarifying Statement in the USPTO Assignment Branch.
