ASSIGNMENT

WHEREAS, **SEAN PATHIRATNE**, a citizen of the United States of America, residing at 5727 Poppy Hills Place, San Jose, California, 95138, hereinafter called the "Assignor", has made the invention described in the United States patent application entitled ***Convertible Sofa Bed with Separate Pull-Out Bed***, Attorney Docket No. 144056.00084, for a full description of which reference is here made to an application for Letters Patent of the United States filed on **March 7, 2014** and assigned Application Serial No. **29/484273**; and

I hereby also sell, assign and transfer unto Lifestyle Solutions, Inc., the entire right, title and interest in and to the invention and in and to applications for Letters Patent therefor in all countries foreign to the United States of America, including all rights under any and all international conventions and treaties in respect of the invention and the applications for Letters Patent in foreign countries, and I further authorize Lifestyle Solutions, Inc. to apply for Letters Patent in foreign countries directly in its own name, and to claim priority of the filing date of the application for Letters Patent of the United States of America under the provisions of any and all international conventions and treaties.

I hereby authorize and request the Commissioner of Patents of the United States of America to issue Letters Patent upon the aforesaid application, division, extension, continuation, continuation-in-part, or reissue, to Lifestyle Solutions, Inc., for the sole use and benefit of Lifestyle Solutions, Inc., its successors, assigns and legal representatives, to the full end of the term for which the Letters Patent may be granted, the same as they would have been held and enjoyed by me had this assignment not been made, and I hereby authorize and request the equivalent authorities in foreign countries to issue the patents of their respective countries to Lifestyle Solutions, Inc.

I agree that, when requested, I will, without charge to Lifestyle Solutions, Inc., but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for the inventions in any and all countries and for vesting title thereto in Lifestyle Solutions, Inc., its successors, assigns and legal representatives or nominees.

I covenant with Lifestyle Solutions, Inc., its successors, assigns and legal representatives, that the interest and property hereby conveyed is free from all prior assignment, grant, mortgage, license or other encumbrance.
