## ASSIGNMENT OF PATENT RIGHTS

I, Barry Shapiro ("Assignor"), a citizen of the United States residing at 209 Autumn Leaf Drive, Doylestown, PA, 18901, for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, do hereby sell and assign to Lasko Holdings, Inc. ("Assignee"), a corporation legally organized under the laws of Delaware and having a place of business at 103 Foulk Road., Suite 200, Wilmington, DE 19803, its successors, assigns and legal representatives, all my right, title and interest, which includes the right to and full benefit of such priorities as may now or hereafter be granted to me by local laws or by treaty, including any international convention for the protection of industrial property, in and for all worldwide countries, specifically including the United States of America and its territories and possessions, and further including all countries throughout the World other than the United States of America, its territories and possessions, in and to the invention entitled:

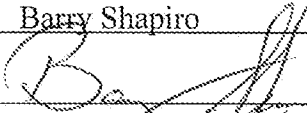

### **"BODY FOR A PORTABLE HEATER"**

invented by me and described in a United States Patent Application, including said United States Patent Application and any patent application(s) with a claim of priority thereto, filed in any worldwide country, and any patent(s) which may be issued and/or granted thereon in any worldwide country, and all divisions, continuations, reissues, reexamination certificates and/or extensions thereof (both applications and resulting patents) in all worldwide countries, the said interest being the ENTIRE OWNERSHIP of said invention and of all of said applications, patents (including reissue patents), extensions and reexamination certificates in all worldwide countries to be held and enjoyed by said Assignee and its successors and assigns to the full end of the terms to which said patents (including reissue patents), extensions and reexamination certificates in all worldwide countries may be granted and/or issued, as fully and entirely as the same would have been held and enjoyed by me if this sale, assignment and transfer had not been made;

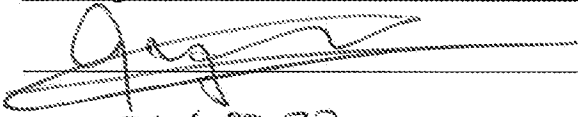

And I hereby agree to communicate to said Assignee or its representatives any facts known to me respecting said invention, to testify in any legal proceedings, to sign and/or execute any further

documents and/or instruments which may be necessary, lawful and proper in and/or for the filing and/or prosecution of all applications, including divisional, continuation and reissue applications, extensions and reexamination certificates and/or the granting and/or issuance thereof and/or to otherwise secure title to said invention and all of said applications, patents (including reissue patents), extensions and reexamination certificates in all worldwide countries in said Assignee, and in general to do everything possible to aid said Assignee, its successors and assigns to obtain and enforce proper protection for said invention in all worldwide countries.
