PATENT

ASSIGNMENT

Recitals

Wolfgang F. Zwanziger and Natasha S. Zwanziger, both of 3109 SW 131st St, Oklahoma City, OK 73170, and M. Matt Smith, of 8564 Villa La Jolla Dr, #279, La Jolla, CA 92037 ("Assignors") are joint inventors of an invention described and claimed in United States Patent Application Serial No. 14/197,076, filed March 4, 2014, entitled Cleaning System for Filter Beds ("the invention").

IMC Consulting LLC, a limited liability company of Texas ("Assignee"), wishes to acquire ownership of the entire interest in the invention and in all patents, patent applications and similar legal protection that may be sought or be available for the invention in the United States and all foreign countries.

Transfer

For good and valuable consideration, the Assignors assign to the Assignee:

the full and exclusive right, title and interest to the invention in the United States and in all foreign countries;

all patents and similar legal protection which may be obtained for the invention in the United States and in any

foreign country, including all renewals, substitutes and reissues thereof, and their foreign equivalents, for the full term or terms for which such patents or protection may be granted;

all applications which may be or are being filed for such patents and similar legal protection, including all continuations and divisions thereof, and their foreign equivalents;

all claims of infringement of any patent or similar legal protection which may be obtained for the invention in the United States and in any foreign country.

Representation

The Assignors represent that no assignment, sale, agreement, encumbrance, license or other transfer has been or will be made or agreed to which would conflict with or impair the rights transferred in this assignment.

Agreements

In exchange for the consideration identified above the Assignors agree as follows:

they will, upon request of the Assignee, promptly provide the Assignee with all pertinent facts and documents known and available to them relating to: the invention; any patent or

similar legal protection which may be obtained on the invention in the United States and in any foreign country: and any application that may be filed for any such patent or similar legal protection;

they will testify concerning these facts and documents in any interference or litigation related to: the invention; any patent or similar legal protection which may be obtained on the invention in the United States and in any foreign country: and any application that may be filed for any such patent or similar legal protection;

they will promptly execute and deliver to the Assignee or its legal representatives any documents required to apply for, obtain, maintain, issue or enforce: the invention; any patent or similar legal protection which may be obtained on the invention in the United States and in any foreign country: and any application that may be filed for any such patent or similar legal protection.
