WORLDWIDE ASSIGNMENT OF DESIGN

WE (hereinafter "Assignors"):

JORAN VAN LANGE, whose full post office address is 174 Wolverleigh Boulevard, Toronto, Ontario, M4C 1S2, Canada, and

DAVID PODSIADLO, whose full post office address is 20 Easson Avenue, Toronto, Ontario, M6S 3W5, Canada

are the authors/inventors of the Design entitled **DESK**, ("Design") for which one or more applications for design patent, industrial design registration, or other form of protection, rights, or title have been or will be made in certain countries. Said Design is subject of Canadian application no. 153834, filed November 13, 2013, particulars of which are attached in Schedule A hereto.

AND WHEREAS **Gus Design Group Inc.** ("Assignee") having a place of business at 223 Evans Avenue, Toronto, Ontario, M8Z 1J5, Canada, is desirous of acquiring the whole/full and exclusive right, title and interest in and to the aforesaid Design in Canada, the United States and all other countries.

NOW THEREFORE in consideration of One Dollar (\$1.00) and of other good and valuable consideration, the receipt of which is hereby acknowledged, the aforesaid Assignors do hereby sell and assign to the Assignee:

- (1) the Assignors' whole right, title and interest to the Design in Canada, the United States and all other countries, and
- (2) the Assignors' corresponding right, title and interest in and to any application and/or any registration to issue therefor in Canada, the United States and all other countries.

Assignors hereby covenant and agree to provide assistance and to execute any and all further documents which may be necessary or desirable to enable Assignee, and/or its successors and assigns (as applicable), to file, prosecute, bring proceedings and take other actions with respect to the Design, applications related thereto, and registrations granted thereon, and other forms of protection, rights and title related thereto. Assignors further agree to execute upon request any and all further documents which may be necessary or desirable to vest or perfect the title of the Assignee in the Design in Canada, the United States and all other countries.

Assignors do hereby authorize and request the Commissioner of Patents, and other issuing authorities as the case may be, to issue to the Assignee any and all design patents, industrial design registrations, and other forms of protection, right and title, granted upon the applications of said Design in Canada, the United States and all other countries.

Assignors covenant that they have the full right to convey the entire interest herein assigned, and that they, either jointly or severally, have not executed, and will not execute any agreement in conflict herewith.

Each of the undersigned Assignors warrants that he or she is an original joint author/inventor of the Design.

This assignment shall enure to the benefit of the Assignee, its successors and assigns, and shall be binding upon Assignors, Assignors' heirs, successors, and permitted assigns.

Delivery of this assignment by copy, however transmitted, constitutes valid and effective delivery. This assignment may be executed in one or more counterparts, each of which when so executed and delivered shall be an original, and such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, this assignment has been executed below by the undersigned, and made effective on this 14 day of Feb, 2014.
