UNITED STATES DESIGN PATENT ASSIGNMENT

WHEREAS, Roderick L. Phillips, an individual having a residence mailing address at 42 South Third Street, Hughesville, PA 17737-1719 (hereinafter "Assignor") is the sole and exclusive owner of all right, title and interest in and to United States Patent Application Serial No. 29/484,720 filed March 12, 2014, entitled PORTABLE HOLDER, which is expressly incorporated herein by reference in its entirety to form part of this instrument (collectively the "Patent Application"); and

WHEREAS, Stonehedge Solutions, Inc., a corporation organized under the laws of the State of Pennsylvania, having a principal place of business at 42 South Third Street, Hughesville, Pennsylvania 17737 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in, to and under said Patent Application and the ornamental designs and improvements described, illustrated and/or claimed therein and covered thereby (the "Designs").

NOW, THEREFORE, in consideration of the sum of ten dollars (\$10.00) and other good and valuable consideration, the receipt, sufficiency and reasonably equivalent value of which is hereby acknowledged, Assignor on behalf of himself and his respective heirs, executors, successors and assigns does hereby sell, assign, transfer, convey and set over to Assignee, its successors and assigns, his entire right, title and interest in and to the Designs and the Patent Application, and any and all patents issuing on or claiming any right of priority to the Patent Application, including without limitation any and all future divisionals, continuations, continuations-in-part, re-examinations, re-issues and extensions thereof which may be filed or which may issue at any time, including, without limitation, all right, title and interest in and to any and all improvements to the Designs and any and all other inventions and/or improvements disclosed in the Patent Application; and all right, title and interest in and to any future counterparts or legal equivalents of the Patent Application in any foreign country or region, including the right to claim priority under the Paris Convention for the Protection of Industrial Property, the International Patent Cooperative Union, European Patent Convention, Common

Market Convention, or any other Convention or Union for each country of said Convention or Union; and all rights of priority resulting from the filing of the Patent Application, the same to be held and enjoyed by Assignee, its successors and assigns, for its own use and enjoyment, to the end of the term or terms of the patents, and any and all other patents as may be granted on the Patent Application or on any other application claiming any right of priority to the Patent Application, as fully and entirely as the same would have been held and enjoyed by Assignor if this sale, assignment, transfer and conveyance had not been made; together with and including without limitation any and all claims for damages by reason of past infringement of any such patent, with the right to sue for and collect the same for the sole and exclusive use and benefit of Assignee, its successors and assigns.

AND, FURTHER, Assignor represents and warrants to Assignee that he has full right to convey his interest herein assigned, and has not executed, and will not execute, any assignments or agreements inconsistent herewith.

IN WITNESS WHEREOF, Roderick L. Phillips has caused this instrument to be executed on this 11 day of MARCH, 2014.
