ASSIGNMENT AND AGREEMENT

For value received, I/we, **Vasilios Daskalopoulos** of the city of Edison in the State of New Jersey; **Badri Nath** of the city of Edison in the State of New Jersey; and **Rakesh Kushwaha** of the city of Marlboro in the State of New Jersey, hereby sell, assign and transfer to **Mformation Technologies Inc.**, a corporation having an office at 343 Thornall Street, Edison, New Jersey 08837, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **CREDENTIAL GENERATION SYSTEM AND METHOD FOR COMMUNICATIONS DEVICES AND DEVICE MANAGEMENT SERVERS** described in an application for Letters Patent of the United States, executed by us on even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to **Mformation Technologies Inc.** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I/We authorize **Mformation Technologies Inc.** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Mformation Technologies Inc.** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I/We request that any and all patents for said inventions be issued to **Mformation Technologies Inc.** in the United States and in all countries foreign to the United States, or to such nominees as **Mformation Technologies Inc.** may designate.
