ASSIGNMENT

WHEREAS I, Sanjiv R. Malkan (the "Inventor"), a citizen of the United States, residing at 13238 Lost Lake Way, Broomfield, CO 80020 am an inventor of an invention in **Feature for Inhibiting Light Stripe Between Cellular Elements in a Covering for an Architectural Opening**, for which invention a PCT application was filed on August 27<sup>th</sup>, 2012 bearing application number PCT/US2012/052473 which claims priority to US Provisional Patent Application filed on August 26, 2011 bearing serial number 61/528,028, and I am entitled to assign my entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the United States application therefor; and

WHEREAS Hunter Douglas Inc. (the "Company"), having a place of business at 1 Blue Hill Plaza, Pearl River, NY 10965 USA, is desirous of obtaining my entire right, title and interest world-wide in and to the invention and any intellectual property protection for the invention, including the US patent application and any Canadian patent application therefor;

NOW THEREFORE, in consideration of the sum of one US dollar (\$1.00) and other good and valuable consideration, the receipt of which is acknowledged, I hereby sell, assign and transfer to the Company, its successors, legal representatives and assigns, my entire right, title and interest world-wide in and to the invention and all applications for industrial property protection, including, without limitation, all applications for patents, utility models and designs, whether original, divisional, continuation, renewal, reissue, or the like, now on file or subsequently filed, for the invention world-wide, together with the right to file such applications and the right to claim for such applications the priority rights derived from the US application therefor under any national or international intellectual property laws or agreements and any industrial property protection including, without limitation, patents, utility models and designs, now or hereafter granted, for the invention world-wide, and any extensions, renewals, reissues or the like thereof.

FURTHER I hereby authorize and request any official of any state, responsible for issuing patents or other evidence or forms of any industrial property protection, to issue the same for the invention to the Company, its successors, legal representatives and assigns, in accordance with this assignment.

ALSO I hereby agree that I have the full right to convey my entire, right, title and interest in and to the invention world-wide and all applications for industrial property protection for the invention world-wide and that I have not executed, and will not execute, any agreement in conflict with this assignment.

MOREOVER I hereby agree that I will communicate to the Company, its successors, legal representatives and assigns any facts known to me respecting the invention and testify in any legal proceeding, sign any lawful papers, execute any original, divisional, continuation and reissue applications, make any rightful oaths, and generally do everything possible to aid the Company, its successors, legal representatives and assigns to obtain and enforce proper protection for the invention world-wide.
