PATENT

ASSIGNMENT

WHEREAS, Jack Peterson, having a residential address of 1926 Highway 30, Burlington, Wyoming 82411, U.S.A. and Michael Peterson, having a residential address of 1926 Highway 30, Burlington, Wyoming 82411, U.S.A. (the "Assignors"), are the inventors of a certain new and useful invention (the "Invention") relating to:

INTERLOCKING TURRET SYSTEM

for which application is about to be made for Letters Patent in the United States and for which U.S. Provisional Patent Application Serial No. 61/793,397 for a "Interlocking Turret System" was filed on March 15, 2013 (collectively the "Application"); and

WHEREAS, Assignors are the owners and in full possession of the entire right, title and interest in and to said Invention, in and to said Application and in and to any and all Letters Patent that may be granted therefor; and

WHEREAS, Huskernaw Optics, LLC, a limited liability company duly organized under the laws of the State of Wyoming, (hereinafter referred to as "Assignee"), having its principal office and place of business at 1308 Sheridan Avenue, Cody, Wyoming 82414, U.S.A., is desirous of acquiring the entire right, title and interest in and to said invention and in and to any and all Letters Patent that may be granted therefor; and;

NOW, THEREFORE, to all whom it may concern, be it known that, for \$1.00 and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignors do hereby sell, assign and transfer unto said Assignee, the entire right, title and interest within the United States, its territories and possessions, and all foreign countries, in and to said Invention, said Application, and any and all Letters Patent that may be granted therefor in the United States, its territories and possessions, and all foreign countries, together with any and all provisionals, non-provisionals, continuations, continuations-in-part, divisions, reissues, renewals, reexaminations, substitutes or extensions thereof, and including all rights to claim priority, and Assignors do hereby authorize and request all appropriate domestic and foreign patent or government authorities in foreign countries to issue in accordance with this Assignment any and all Letters Patent that may be granted, either on said Application or otherwise for said Invention.

Docket No. 507025.10019

ASSIGNORS further covenant and agree that they will, at any time upon request, execute and deliver any and all documents that may be necessary or desirable to perfect Assignee's rights in and to the Invention and any and all United States and/or foreign Letters Patent that may be granted on said application or otherwise for said Invention.
