ASSIGNMENT

We,

Scott Kendall, residing at 10511 Marlowe Lane  
Ocean City, Maryland 21842

and

Emily Heinauer, residing at 12911 Old Bridge Road,  
Ocean City, Maryland 21842

Assignors, for good and valuable consideration, receipt of which is hereby acknowledged, hereby sell, assign, and transfer to **Hardwire, LLC**, a Maryland corporation, (Assignee) having a principal place of business at 1947 Clarke Avenue, Pocomoke City, Maryland 21851 and its successors and assigns, the entire right, title and interest, including the right to claim priority under the International Convention, throughout the United States, its territories and all foreign countries, in and to the invention

**ARMORED DOOR PANEL**

and to the United States patent application filed therefor, Application No. 14/208,092 filed on 3/13/2014, Attorney Docket No. 97360, and any other patent applications filed therefor, and such patents, reissues, reexaminations, and extensions thereof which issue in any country upon said patent applications, which correspond with or claim priority from said applications, or any divisional, continuation, or continuation-in-part thereof, including the right to sue and collect for past infringement; the same to be held and enjoyed by Assignee for its own use, and for the use of its legal representatives, to the full term for which such patents are entitled, as fully and entirely as the same would have been held by us had this assignment not been made.

We hereby further covenant and agree that we have full right to make such assignment, and that we will not execute any writing or do any act whatsoever conflicting with this assignment, and that we, our executors and administrators, will at any time upon request without further additional consideration, but at the expense of Assignee, its successors and assigns, execute all applications for patents in foreign countries, execute all divisional, continuing, reissue and re-examination applications, make all rightful oaths, sign all lawful papers, testify in any proceeding in which said invention or any application or patent directed thereto may be involved, and generally execute such additional writings and do such additional acts as Assignee, its successors and assigns, may determine as necessary or desirable in the enjoyment of this grant, and in any proceedings or transactions involving such invention, patent applications or patents

We hereby authorize and request the firm of McLane, Graf, Raulerson & Middleton, Professional Association, to insert, if necessary, the application number and filing date of the above United States patent application when they become known
