Exhibit D-2

Form of Assignment – Seller

Assignment of Patent Rights

Whereas, S. SONDER ET CIE, S.A., a Republic of Panama corporation, with an office at Elvira Mendez Street number 10, Banco do Brasil Building, Panama City, Republic of Panama (hereinafter "Seller") is the sole and exclusive owner of certain United States and/or foreign patents and/or patent applications listed in Exhibit A annexed hereto (collectively referred to as the "Patents");
and

Whereas , Onanovich Group AG, LLC, a Delaware limited liability company, with an address at 2711 Centerville Rd, Suite 400, Attn: Dept. 307, Wilmington, DE 19808, (hereinafter "Purchaser") is desirous of acquiring the right, title and interest in, to and under the said Patents.

Now, Therefore,

For good and valuable consideration, the receipt of which is hereby acknowledged, Seller does hereby sell, assign, transfer and set over to Purchaser, the Patents aforesaid, and any inventions claimed in said Patent, any reissue or reissues of said Patents already granted and which may be granted, any certificates of reexamination already granted and which may be granted the same to be held and enjoyed by Purchaser for its own use and enjoyment, and for the use and enjoyment of its successors, assigns or other legal representatives, to the end of the term or terms for which said Patents are or may be granted, reissued or extended as fully and entirely as the same would have been held and enjoyed by Seller, if this assignment and sale had not been made; together with all claims for damages by reason of past infringement of said Patents, with the right to sue for, and collect the same for its own use and behalf, and for the use and behalf of its successors, assigns or other legal representatives.

And, Seller, hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all Letters Patents of the United States on said inventions to Purchaser as assignee of the entire interest, and hereby covenants that Seller has full right to convey the entire interest herein assigned, and that, except as otherwise provided between the parties, Seller has not executed, and will not execute, any agreements in conflict therewith.

In Witness Whereof, Seller, by its duly authorized representative, has executed this Assignment.
