PATENT ASSIGNMENT AND DECLARATION FOR DESIGN

For good and valuable consideration, receipt of which is hereby acknowledged, I, **Brent Beukema** of No. 99 Tianyuan West Road, Jiangning Economic & Technical Development Zone, Nanjing, Jiangsu Province 211106, P. R. China, hereby sell and assign to **Chervon (HK) Limited, ("Assignee")**, a corporation of Hong Kong, having its principal place of business at Room 803B 8/F, Allied Kajima Building, 138 Gloucester Road, Wanchai, Hong Kong, its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention in **AUTO HAMMER** invented by me, which has been assigned application number **29/480,205**, and the application for United States design patent therefor, the declaration, and all original and reissued patents granted therefor, and all divisions and continuations thereof, including the subject-matter of any and all claims which may be obtained in every such patent, and the right to apply for and obtain design patents and/or corresponding patent or industrial design protection in foreign countries, and authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said design Patent to the said Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned. I covenant that I have not executed and will not execute any agreement in conflict herewith and agree that I will communicate to said Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to me respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when said Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, I will, upon request, sign all lawful papers requisite for the filing of such disclaimer. I further covenant and agree that I will, at any time upon request, do everything legally possible to aid said Assignee, its successors, assignees, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent and/or industrial design protection for said invention in all countries, all without further consideration but at the expense of said Assignee, its successors, assigns, nominees, or other legal representatives.

Inventor 1

As the below named inventor, I hereby declare that:

This declaration is directed to:

_____ the attached application, or

 X United States application or PCT international application number

29/480,205 filed on **January 24, 2014**.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

I hereby state that I have reviewed and understand the contents of the above-identified application, including the claims; and I am aware of the duty to disclose to the U.S. Patent and Trademark Office all information known by me to be material to patentability as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International filing date of the continuation-in-part application.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 5 day of March , 2014.
