## ASSIGNMENT

**WHEREAS**, we, **Mariano TAN** (a citizen of the United States of America, having an address at 3 Serra Bellissima Court, Henderson, NV 89011), **David LAMPERT** (a citizen of the United States of America, having an address at 4 Clearwater Court, Avon, CT 06001), **David FRUIN** (a citizen of the United States of America, having an address at 1245 Morgan, La Grange Park, IL 60526), **Bopsi CHANDRAMOULI** (a citizen of the United States of America and having an address at 29W377 Greenbriar Land, Warrenville, IL 60555), **Todd WHITELEY** (a citizen of the United States of America, having an address at 1560 Stablewood Lane, Lake Forest, Illinois 60045), and **Alex NASH** (a citizen of the United States of America, having an address at 4481 Country Trails, Gurnee, Illinois 60031) have made new and useful processes, machines, articles of manufacture, compositions of matter, ornamental designs, and/or improvements in METHOD AND SYSTEM FOR IMPROVING CALL-PARTICIPANT BEHAVIOR THROUGH GAME MECHANICS, for which we have made applications for Letters Patent of the United States, including U.S. provisional patent application, no. 61/750,058, filed January 8, 2013, titled "METHOD AND SYSTEM FOR IMPROVING CALL-PARTICIPANT BEHAVIOR THROUGH GAME MECHANICS," which we previously assigned, transferred, and conveyed to Assignee by Assignment Agreement, executed by Mariano Tan, David Lampert, David Fruin, Bopsi Chandra Mouli, Todd Whiteley, and Alex Nash which was recorded in the U.S. Patent & Trademark Office at Reel/Frame 030395/0465, including all rights, title, and interests in and to said provisional patent application, the inventions and discoveries described therein, any and all other applications for Letters Patent on/for said inventions and discoveries in whatsoever countries, including all utility, non-provisional (including the non-provisional application for Letters Patent, U.S. Patent Application No. 14/149,552, filed January 7, 2014, Attorney Docket No. 1489511-5005US), design, divisional, renewal, substitute, continuation, and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patents, reissues, and extensions of Letters Patents granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated

upon or arise from said inventions, said discoveries, said applications, and said Letters Patent.

**WHEREAS**, Prosodica, LLC., having a place of business at 570 Lake Cook Road, Suite 400, Deerfield, IL 60015 and who, together with its successors and assigns (“Assignee”) is desirous of acquiring the title, rights, benefits, and privileges hereinafter recited.

**NOW, THEREFORE**, for valuable consideration furnished by Assignee to us, receipt and sufficiency of which we hereby acknowledge, we hereby, without reservations:

1. Confirm that we have assigned, transferred, and conveyed to Assignee the entire right, title, and interest in and to said applications for Letters Patent, Nos. 61/750,058 and 14/149,552, the inventions and discoveries described therein, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all utility, non-provisional, design, divisional, renewal, substitute, continuation, and Convention applications based in whole or in part upon said inventions or discoveries, or upon said applications, and any and all Letters Patents, reissues, and extensions of Letters Patents granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent.

2. Should we have any right, title, and/or interest in or to said non-provisional application for Letters Patent, U.S. Patent Application No. 14/149,552 or the inventions or discoveries described therein, we hereby assign, transfer, and convey to Assignee the entire right, title, and interest in and to said non-provisional application for Letters Patent, the inventions and discoveries described therein, any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all utility, non-provisional, design, divisional, renewal, substitute, continuation, and Convention applications based in whole or in part upon said inventions or

discoveries, or upon said applications, and any and all Letters Patents, reissues, and extensions of Letters Patents granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent.

3. Authorize Assignee to file patent applications in any or all countries for any or all of said inventions and discoveries in our names or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise.

4. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

5. Warrant that we have not knowingly conveyed to others any right in said inventions, discoveries, applications, or patents or any license to use the same or to make, use, import into the United States or sell anything embodying or utilizing any of said inventions or discoveries; and that we have good right to assign the same to Assignee without encumbrance.

6. Bind us to do, upon Assignee's request and at Assignee's expense, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by us if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to us relating to said inventions and discoveries or the history thereof; to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in our control which may be useful for

establishing the facts of our conception, disclosures, and reduction to practice of said inventions and discoveries; and to testify to the same in any interference, other litigation, or proceeding related thereto. If we perform acts necessary or required to be done in support of any Letters Patent or applications for Letters Patent for said Invention after termination of employment with Assignee as set forth in Section 6 of this Assignment, we shall be entitled to reimbursement by Assignee of documented costs incurred by us, as well as reasonable compensation (not to exceed a fair market rate) for recorded time spent in support of any Letters Patent or applications for Letters Patent.
