DECLARATION AND ASSIGNMENT BY THE INVENTOR
UNDER RULE 37 C.F.R. § 1.63 EFFECTIVE ON SEPTEMBER 16, 2012

I, VAN HASSELT, Charles Andrew, of The Lookout, 11 Lookout Link, Tai Po, New Territories, Hong Kong, China, hereby declare that:

I believe I am an original joint inventor of a claimed invention in a patent application entitled:

Method and System for Self-managed Sound Enhancement

the specification of which:

☒ was described and claimed in Application Serial No. 14/151,375 filed at the U.S. Patent and Trademark Office on January 9, 2014;

☒ was described in Application Serial No. 61/750,779 filed at the U.S. Patent and Trademark Office on January 9, 2013.

I believe the following persons are additional original joint inventors of the above-identified patent application:

KAM, Chi Shan Anna residing at 20B, Hoi Tao Building, 3 King Ming Road, Causeway,
Hong Kong, China,

LEE, Pui Tong Paul residing at Flat C, 10/F, Block 15, Braemar Hill Mansions, 43
Braemar Hill Road, North Point, Hong Kong, China, and

CHENG, Ka Kui residing at Flat A, 18/F, Block 5, Tseung Kwan O Plaza, Tseung
Kwan O, New Territories, Hong Kong, China

I made, authorized to make, or will make or authorize to make the above-identified patent application at the U.S. Patent and Trademark Office.

I have reviewed and understand the contents of the above-identified patent application including the claims.

I am aware of the duty to disclose to the U.S. Patent and Trademark Office all information known to me to be material to patentability as defined in 37 CFR §1.56.

I hereby acknowledge that any willful false statement made in the above declaration is punishable under 18 USC §1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNMENT

I hereby assign to

ACE Communications Limited, a corporation of Hong Kong, China, having a place of business at 8th Floor, Tak Lee Commercial Building, 113-117 Wanchai Road, Hong Kong, China, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in any and all inventions and improvements which are described in an application for United States Patent filed by me, entitled Method and System for Self-managed Sound Enhancement filed January 09, 2014, and assigned U.S. Serial Number 14/151,375. I authorize and request an attorney appointed in said application to hereafter insert above the filing date and application number of said application when known.

This assignment includes the entire right, title and interest in said application, all legal equivalents thereof in any country, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions and improvements, including, but not limited to, all divisions, continuations, reissues, reexamination certificates, any and all certificates issued in any post-grant proceeding, and extensions of said applications and patents of the United States, foreign patents, utility models, and design registrations, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes, and the right to seek relief and recover all damages, including, but not limited to, a reasonable royalty, by reason of infringement or any other violation of patent or patent application rights. I authorize the Assignee to apply in all countries in my name or in the name of the Assignee for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements.

In addition, I hereby confirm that the sale, assignment, and transfer to the Assignee of the entire right, title and interest throughout the world in said inventions and improvements between me and the Assignee since said inventions and improvements were made is effective. Should I have any remaining interest, I hereby sell, assign, and transfer any right, title and interest I may have in said inventions and improvements anywhere in the world to the Assignee.

The foregoing assignments, sale and transfer have been made for good and valuable consideration in accordance with contractual obligations.

I hereby represent and covenant that no assignment, sale, agreement or encumbrance has been or entered into that would conflict with the assignment of said inventions and improvements to the Assignee.

I further covenant for myself and my respective heirs, legal representatives and assigns, to assist the Assignee in handling various procedures, tasks and documentation in connection with this assignment, including, but not limited to, providing to the Assignee promptly upon the request of the
