NOW THEREFORE, ASSIGNOR hereby assigns and transfers to ASSIGNEE, to the extent owned by ASSIGNOR all of its right, title and interest in such patent and trademark rights, including any foreign counterparts, divisions, continuations, or reissues thereof, and in such Trademark Rights, and in and to all Letters Patent and all trademark registrations, and all Convention and Treaty Rights of all kinds, in all countries throughout the world, for all such subject matter, along with the right to sue and recover for past, present, and future patent and/or trademark infringement.
