ASSIGNMENT

WHEREAS, I, PARVIZ DAFTARI, a citizen of Canada, residing at 768 Springfield Avenue, Unit B2, Summit, NJ 07901 (hereinafter "Assignor"), have invented a new and original LOOM, for which U.S. Design Patent Application No. 29/481,639 was filed on February 7, 2014 in the United States Patent and Trademark Office.

WHEREAS, LAROSE INDUSTRIES, LLC, a limited liability company organized and existing under the laws of the State of New Jersey and having a place of business at 1578 Sussex Turnpike, Randolph, New Jersey 07945 (hereinafter "Assignee") is desirous of acquiring the rights, title and interest of Assignor in and to said invention, said patent application and any Patent that may be granted thereon or therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells, assigns and sets over to said Assignee the entire right, title and interest in and for the United States of America and all other countries in and to said invention and the aforesaid application, all original, non-provisional, divisional, continuation, continuation-in-part, substitute or reissue applications and patents applied for or granted therefor or therefrom in the United States of America and all other countries, and the Commissioner of Patents and Trademarks is hereby authorized and requested to issue all patents on said applications and/or applications resulting therefrom to said Assignee herein as assignee of the entire interest therein; and the undersigned and his legal representatives, heirs and assigns do hereby agree and covenant, without further remuneration, to execute and deliver all non-provisional, divisional, continuation, continuation-in-part, reissue and other applications for patent on said invention and all assignments thereof to said Assignee or its assigns, to communicate to said Assignee or its legal representatives all facts known to the undersigned respecting said invention, to testify in any interferences or other legal proceedings in which any of said applications or patents may become involved, to sign all lawful papers, make all rightful oaths and to do generally everything necessary to aid said Assignee, its successors, assigns and nominees in obtaining patent protection on said invention in all countries, the expenses incident to said applications to be borne and paid by said Assignee.
