ASSIGNMENT AGREEMENT

This Assignment Agreement of Intellectual Property ("**Assignment Agreement**") is entered into on 31 January 2014, by and between

- (a) **Finlandia Vodka Worldwide Ltd.**, a corporation incorporated and existing under the laws of Finland, having its registered office in Deloitte House, Porkkalankatu 24, 00180 Helsinki, Finland with the Business Identity Code 1603724-6 ("**Assignor**"); and
- (b) **Brown-Forman Finland Ltd.**, a corporation incorporated and existing under the laws of Finland, having its registered office in Deloitte House, Porkkalankatu 24, 00180 Helsinki, Finland and with the Business Identity Code 2584167-4 ("**Assignee**").

Assignor and Assignee are hereinafter individually or jointly also referred to as the "**Parties**" or each of them a "**Party**", as the context may require.

Recitals

- A.** The Parties have entered into a Business Purchase Agreement ("**BPA**") on 31 January 2014.
- B.** Assignor has adopted and is using the Intellectual Property defined in the BPA, including the registered and unregistered marks and designs listed in the Annex A Intellectual Property attached hereto. The above-referenced Intellectual Property, including without limitation, (i) inventions (whether patentable or unpatentable and whether or not to reduced to practice), all improvements thereto, and all patents, patent applications, utility models, together with all reissuances, continuations, continuations-in-part, revisions, extensions, and re-examinations thereof, (ii) trademarks, service marks, trade dress, logos, slogans, labels, trade names, brand names, corporate names and interests in domain names, together with all the goodwill of the Business (as defined in the BPA) associated therewith and symbolized thereby, and all applications, registrations and renewals in connection therewith, (iii) copyrights and works of authorship (including without limitation computer software and source code and related documentation) and all applications, registrations, and renewals in connection therewith, (iv) trade secrets and confidential business information including know-how, formulas, compositions, manufacturing and production processes and techniques, databases, technical data, designs, drawings, specifications, molds, dies, casts, product configurations, customer and supplier lists, pricing and cost information, and business and marketing plans and proposals (all of which of the foregoing that have been kept confidential), (v) moral rights and (vi) design rights and registered and unregistered designs, and (vi) any other intellectual property rights are hereinafter collectively referred to as the "**Intellectual Property**".
- C.** Assignee, is desirous of acquiring all right, title and interest in and to the Intellectual Property; and
- D.** Assignor desires to assign all right, title and interest in and to the Intellectual Property to Assignee as part of, and in consideration of certain payments made to Assignor pursuant to the BPA.

NOW, THEREFORE, in consideration of the foregoing, together with other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor and Assignee agree as follows:

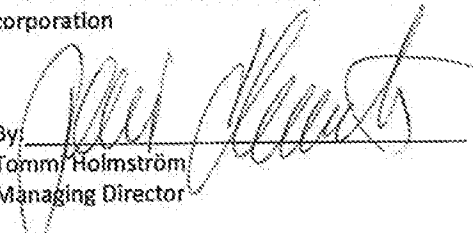

1. Assignor hereby assigns unto Assignee all right, title, and interest in and to the Intellectual Property.
2. The assignment shall also include the right to sue for damages and the right to other remedies in respect of infringement of the Intellectual Property, including the right to sue for past infringement as well as to apply for, make filings with respect to, and maintain all issuances, renewals, and extensions of the Intellectual Property, including without limitation, any and all continuations, continuations-in-part, divisions, and reissues arising from or related to the Intellectual Property, in accordance with Section 2.2(a) of the BPA.
3. Assignor further agrees to sign all necessary transfer notices and execute all necessary documents and, at Assignee's cost, do all other acts and things necessary or advisable in order to validly and effectively transfer, assign and, where applicable, register the Intellectual Property to Assignee, in accordance with Section 10 of the BPA. Assignee agrees to assist Assignor in a reasonable manner in such transfer to the extent the transfer depends on actions that are required from the Assignee.

This Assignment shall be effective for all purposes on the 31 day of January 2014.

IN WITNESS WHEREOF, the Parties, hereunto have authorized the undersigned to sign this instrument on its behalf this 31 day of January 2014.
