ASSIGNMENT OF WORLDWIDE RIGHT, TITLE, AND INTEREST

WHEREAS, I

Robert X. Chambers
a natural person residing at:

323 East King Street
Malvern, PA 19355
United States of America

have invented certain new and useful improvements in

**Flooring Construction With Capacity For Deflexure Adjustment
and
Flooring Construction**

described in any or all of the following patents:

Patent Number	Issue Date	Docket Number
6,073,409	June 13, 2000	CHA1.001
6,688,065	February 10, 2004	CHA1.002

(hereinafter referred to as the "Inventions")

AND WHEREAS,

RAM-PACX, INC.

a corporation of the Commonwealth of Pennsylvania, whose principal offices are
located at:

323 East King Street
Malvern, PA 19355
United States of America

(hereinafter referred to as the "Assignee") desires to document its ownership in my
entire right, title, and interest in and to the Inventions, and in and to any Letters
Patent that have been granted therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and of other good and
valuable considerations, receipt of which I hereby acknowledge, and intending to be
legally bound, I do hereby acknowledge that as of the date I made each of the
Inventions, I did thereupon sell, assign, and transfer to Assignee and Assignee's
legal representatives my entire 100% right, title, and interest together with all
rights of priority, in the Inventions, as described and/or claimed in said United
States patents and any and all applications for Letters Patent, in any country or
jurisdiction, based in whole or in part thereon, including divisions, continuations,
and continuations-in-part thereof, as well as all foreign counterparts and all

applications containing disclosure in common therewith, together with all Letters Patent in any country or jurisdiction that arose from any of the aforesaid applications, as well as any and all reissues and reexaminations thereof, the same to be held and enjoyed by Assignee, its successors, and its assigns, to the full ends of the terms of all said Letters Patent therefor which have been granted.

I hereby authorize and request the Patent Office officials in the United States and all foreign countries or jurisdictions to issue any and all of said Letters Patent, when granted, to Assignee, as the Assignee of my entire right, title, and interest in and to the same, for the sole use of Assignee, its successors, and its assigns. I hereby authorize the Assignee to make applications for and to receive Letters Patent for the Inventions in any foreign countries or jurisdictions in its own name, or my name, at its election.

Further, I hereby agree to communicate to Assignee or its representatives any facts known by me respecting the Inventions, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuation, continuation-in-part, substitution, renewal, reissue and related United States and foreign applications and declarations relating thereto, execute all necessary claims of priority and assignment papers to cause any and all of said Letters Patent to be issued to Assignee, make all rightful oaths, and generally to do everything possible to aid Assignee, its successors, and its assigns, to obtain and enforce protection for the Inventions in the United States and in any and all foreign countries or jurisdictions. The rights and property herein conveyed by me are free and clear of any encumbrances.

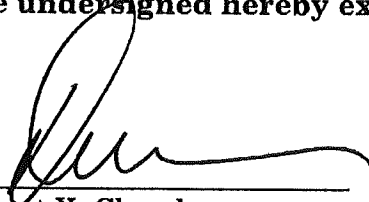

I hereby authorize Gerry J. Elman, Registration No. 24,404, of the firm Elman Technology Law, P.C. ("ETL"), to correct errors in this Assignment document and to insert any further identification or information necessary or desirable to make this Assignment recordable in the United States Patent and Trademark Office ("PTO"), or elsewhere.

If any provision of this document should be found invalid or unenforceable under relevant law, such provision shall be deemed excluded and redacted here from, and the validity and enforceability of the remaining provisions shall not be affected thereby.
