A S S I G N M E N T

WHEREAS, I, Greg McPheeters, residing in Santa Cruz, California and having a post office address at 741 Seaside St, Santa Cruz, California 95060, have made an invention in:

SOLAR PANEL FRAME CLAMPS

the specification of which is being filed concurrently herewith or for which was filed as U.S. Patent Application No. 14/019,970 on September 6, 2013; and

WHEREAS, Mainstream Energy Corporation, a corporation organized and existing under the laws of California and having an office and place of business at 775 Fiero Lane, Suite 200, San Luis Obispo, California 93401, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid to me, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto the said Mainstream Energy Corporation, its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations and divisions thereof, and any substitute applications therefor, and any patents which may issue thereon, and any reissues of the same, and including the right to claim priority under the International Convention based on said patent application; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including renewals, revivals,

continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same; and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said Mainstream Energy Corporation as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.
