ASSIGNMENT

WHEREAS, the undersigned, hereinafter referred to collectively as Assignor, is the owner of record of an invention entitled:

ADAPTIVE COMPOSITE MATERIALS

for which Assignor is about to make or has made United States or International application for patent

- (a) ☐ executed on even date preparatory to filing (each inventor should sign this Assignment on the same day as he/she signs the Declaration);
- (b) ☐ executed on _____, _____, _____; or
- (c) ☒ filed on March 3, 2008, and assigned Serial No. 12/074,071 or PCT International Application No. _____; and

WHEREAS, Board of Trustees of Michigan State University, 246 Administration Building, East Lansing, MI 48824, hereinafter referred to as Assignee, is desirous of acquiring all right, title, and interest therein;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy whereof is hereby acknowledged, Assignor hereby confirms any prior assignment to Assignee, and to the extent that Assignor has not already done so, agrees to assign, and hereby does, sell, assign and transfer unto Assignee and its successors in interest, the full and exclusive right, title and interest in the United States of America and throughout the world, including the right to claim priority under the laws of the United States, the Paris Convention, and any foreign countries, to the inventions as described in the aforesaid application, to the aforesaid application itself, and all divisions, continuations, continuations-in-part, or other applications claiming priority directly or indirectly from the aforesaid application, and any United States or foreign Letters Patent, utility model, or other similar rights which may be granted thereon, including reissues, reexaminations and extensions thereof, and all copyright rights throughout the world in the aforesaid application and the subject matter disclosed therein, these rights, title and interest to be held and enjoyed by Assignee to the full end of the term for which the Letters Patent, utility model, or other similar rights, are granted and any extensions thereof as fully and entirely as the same would have been held by Assignor had this assignment and sale not been made, and the right to sue for, and recover for past infringements of, or liabilities for, any of the rights relating to any of the applications, patents, utility models, or other similar rights, resulting therefrom, and the copyright rights;

Assignor hereby covenants and agrees to execute all instruments or documents required or requested for the making and prosecution of any applications of any type for patent, utility model, or other similar rights, and for copyright, in the United States and in all foreign countries including, but not limited to, any provisional, continuation, continuation-in-part, divisional, renewal or substitute thereof, and as to letters patent any reissue, re-examination, or extension thereof, and for litigation regarding, or for the purpose of protecting title and to the said invention, the United States application for patent, or Letters Patent therefor, and to testify in support thereof, for the benefit of Assignee without further or other compensation than that above set forth;

Assignor hereby covenants that no assignment, sale, license, agreement or encumbrance has been or will be entered into which would conflict with this Assignment; and

Assignor hereby requests the United States Patent and Trademark Office to issue the Letters Patent of the United States of America to Assignee, and requests that any official of any country or

Dear Sir:

The foregoing corrected assignment recordation cover sheet is submitted under 37 CFR § 3.34 through the Electronic Patent Assignment Service website to correct a typographical error in the cover sheet originally recorded on October 21, 2011, at Reel 027098 and Frame 0388, along with the corresponding original assignment at Reel 027098 and Frames 0389-0390. See MPEP § 323.01(a).

The corrected cover sheet adds "Technova Corporation" to the list of conveying parties. The originally recorded cover sheet (Frame 0388) listed Parvis Soroushian as the conveying party; however, reference to the originally recorded assignment (Frames 0389-0390) indicates that Technova Corporation and Parvis Soroushian were collectively the conveying party.

Dated: April 1, 2014
