**ASSIGNMENT OF PATENT APPLICATION**

For good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, I/we Vishnu Sharma do hereby sell, assign, and transfer to EXILANT Technologies Private Limited, a company organized and existing under the laws of India, having a principal place of business at #27 & 27/1, P. Kalinga Rao Road, Bangalore - 560027, India (referred to hereafter as "ASSIGNEE"), and its successors, assigns, and legal representatives, the entire right, title, and interest for the United States and all countries foreign thereto, in and to:

any and all improvements and inventions disclosed in the application for the United States patent entitled INCREASED COMMUNICATION SECURITY (referred to hereafter as "APPLICATION")

and filed herewith, or

having Application Number 14/231,634, and filed on March 31, 2014;

the APPLICATION and all continuation applications, divisional applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications that have been or shall be filed in the United States and all countries foreign thereto on any of the improvements or inventions disclosed in the APPLICATION;

all original patents, reissued patents, reexamination certificates, and extensions that have been or shall be issued in the United States and all countries foreign thereto on any of the improvements or inventions disclosed in the APPLICATION; and

all rights of priority resulting from the filing of the APPLICATION.

For the above-mentioned consideration, I/we agree:

that the ASSIGNEE may apply for and receive, in its own name, a patent or patents for the improvements or inventions disclosed in the APPLICATION;

to promptly execute and deliver, without further compensation and upon request of the ASSIGNEE, its successors, assigns, or legal representatives, any declaration, oath, power of attorney, assignment, and other papers which may be necessary or desirable to secure to the ASSIGNEE, its successors, assigns, and legal representatives, the improvements or inventions disclosed in the APPLICATION and any patent rights related thereto in the United States and in any country foreign thereto;

to promptly execute and deliver, without further compensation and upon request of the ASSIGNEE, its successors, assigns, or legal representatives, any continuation applications, divisional applications, continuation-in-part applications, substitute applications, renewal applications, reissue applications, reexaminations, extensions, and all other patent applications, in the United

States and in any country foreign thereto, on any and all the improvements or inventions disclosed in the APPLICATION;

to cooperate and assist in any proceeding concerning any of the improvements or inventions disclosed in the APPLICATION, provided the expenses which may be incurred by me/us in lending such cooperation and assistance are paid by the ASSIGNEE;

to communicate to the ASSIGNEE, its successors, assigns, and legal representatives all facts known to me/us relating to the improvements or inventions disclosed in the APPLICATION and the history thereof; and

generally to assist the ASSIGNEE, its successors, assigns, and legal representatives in:

securing and maintaining proper patent protection for the improvements or inventions disclosed in the APPLICATION;

vesting title in the ASSIGNEE, its successors, assigns, and legal representatives to the improvements or inventions disclosed in the APPLICATION; and

vesting title in the ASSIGNEE, its successors, assigns, and legal representatives to all applications for patents and all patents on the improvements or inventions disclosed in the APPLICATION.

For the above-mentioned consideration, I/we covenant with the ASSIGNEE, its successors, assigns, and legal representatives that no assignment, grant, mortgage, license, or other agreement affecting the rights and property herein conveyed has been made to others by me/us, and that full right to convey the same as herein expressed is possessed by me/us.

In witness whereof, I/we hereunto set my/our hand(s) and seal:
