In good and valuable consideration the receipt and sufficiency whereof are hereby acknowledged,

I hereby assign, to the above named ASSIGNEE, its successors, assigns and legal representatives (NOMINEES) my entire right, title and interest in and to said application, inventions and improvements throughout the world and to any and all patents, petty patents and utility model patents, which may be granted therefor, and all continuations, continuations-in-part, divisions, reissues, extensions, renewals, and any non-provisional applications claiming priority to said U.S. patent application (LETTERS PATENT).
