Docket No. 915-27-

ASSIGNMENT OF TITLE

Whereas W2 Energy Development Corporation, a California Corporation, with a place of business at P.O. Box 23439, Santa Maria, CA 91321, represents that W2 Energy Development Corporation owns the full right, title and interest to **ADAPTABLE FLOW-DRIVEN ENERGY CAPTURE SYSTEM** (hereinafter the "Invention"), covered by U.S. Patent Number 7,905,705, issued March 15, 2011 (hereinafter "the Patent").

Whereas Betty R. Gunn, an individual residing in Santa Maria, California, and Vladimir Knezevic, Jr., an individual residing in Carpinteria, California, each desires to acquire a 50% right, title and interest in and to the invention and Letters Patent granted,

For valuable consideration, the receipt and legal sufficiency of all of which is acknowledged, W2 Energy Development Corporation does hereby sell, assign, transfer and set over unto Betty R. Gunn, her successors and assigns, 50% right, title and interest in and to the invention and all improvements thereon, in and to the application for Letters Patents thereon, in and to applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

For valuable consideration, the receipt and legal sufficiency of all of which we acknowledge, W2 Energy Development Corporation does hereby sell, assign, transfer and set over unto Vladimir Knezevic, Jr., his successors and assigns, the other 50% right, title and interest in and to the invention and all improvements thereon, in and to the application for Letters Patents thereon, in and to applications pertaining to or based upon the invention and application, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on the invention and applications, or any of them, in the United States of America, its territories and possessions, and in all countries foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

W2 Energy Development Corporation agrees that it will, at the request of Betty R. Gunn and/or Vladimir Knezevic, Jr., execute any and all other papers and documents and do all other and further lawful acts that Betty R. Gunn and/or Vladimir Knezevic, Jr. may deem necessary or desirable to obtain Letters Patent on the invention, to secure the grant of such Letters Patent and to protect and vest in Betty R. Gunn and Vladimir Knezevic, Jr., the right, title and interest in the invention, applications and Letters Patent.

W2 Energy Development Corporation authorizes and empowers Betty R. Gunn and Vladimir Knezevic, Jr., their successors and assigns to apply for and obtain, in its or their own

names, Letters Patent for the invention before competent International Authorities and in any and all countries foreign to the United States in which applications for Letters Patent can be so made or letters patent so obtained.
