RELEASE OF SECURITY INTEREST IN PATENTS

This Release of Security Interest in Patents is given this 2nd day of April, 2014 by Salus Capital Partners, LLC (the "Secured Party"), to Hunter's Specialties, Inc., an Iowa corporation (the "Grantor").

WITNESSETH:

WHEREAS, pursuant to a certain Patent Security Agreement (the "Patent Security Agreement") dated February 28, 2013 and filed on March 14, 2013 in Reel 030003, Frame 0195, the Grantor granted to Secured Party a security interest in the Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Patent Collateral"), whether now owned or existing or hereafter created, acquired or arising:

(i) each Patent listed on Schedule A annexed hereto, together with any reissues, renewals, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Patent; and

(ii) all products and proceeds of the foregoing, including without limitation, any claims by the Grantor against any third parties for past, present or future (a) infringement or dilution of any Patent, or (b) injury to the goodwill associated with any Patent; and

WHEREAS, pursuant to that certain letter dated April 2, 2013 by the Secured Party to the Grantor, (a) the obligations secured by said security interest have been paid in full or otherwise satisfied, (b) the Grantor's obligations under the Patent Security Agreement have terminated, and (c) all liens and security interest securing the Grantor's obligations were fully released without further action; and

WHEREAS, terms not defined herein are used herein as defined in the Patent Security Agreement.

NOW THEREFORE, for and in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and upon the terms set forth in this release, the Secured Party hereby declares that the security interest granted by the Grantor to the Secured Party in the Patent Collateral is hereby DISCHARGED, RELEASED AND TERMINATED, and the recording officer in the U.S. Patent and Trademark Office is hereby authorized to cancel the security agreement of record.

This release shall be binding upon Secured Party's legal representatives, assigns and successors.

[Remainder of Page Left Blank; Signature Page Follows]

IN WITNESS WHEREOF, the Secured Party has caused this instrument to be executed by its proper corporation officer on the date first written above.
