ASSIGNMENT-STATEMENT

We, the undersigned

Robert B. Osborne, Willard L. Quon

Hereby declare that

The above-identified application was made or authorized to be made by us.

We believe to be the original joint inventors of a claimed invention in the application entitled:

IMPROVED PRODUCT RECOVERY PROCESS IN THE
FILTRATION OF POLYETHER POLYOLS

and which is disclosed in United States Patent Application No. 14/233,018 filed on January 15, 2014, 2013, (and which is identified as Case Number P12635 US PCT).

For valuable consideration, the receipt and adequacy of which is hereby acknowledged and in fulfillment of our pre-existing obligation of assignment, we hereby:

I. Sell, assign, and transfer unto INVISTA North America S.à r.l., a *société à responsabilité limitée*, incorporated under the laws of Luxembourg and having its principal place of business at Wilmington, Delaware, hereinafter referred to as the assignee, (A) the sole and entire right, title, and interest in and to: (1) the aforesaid application for Letters Patent, (2) any priority rights derived from the aforesaid application for Letters Patent by virtue of the International Convention for the Protection of Industrial Property and any other treaty or understanding for intellectual property for any and all member countries of the aforesaid International Convention or other treaty or understanding, (3) any and all our inventions, whether joint or sole, disclosed in the aforesaid application for Letters Patent, (4) any and all applications for Letters Patent for any such inventions in any country whatsoever, (5) any and all patents for any such inventions in any country whatsoever; and (B) the sole right to (1) file such applications in its name or ours, (2) to file such applications under the aforesaid International Convention or other treaty or understanding, (3) have said patents granted in its name or ours, and (4) enforce said patents and to sue for and recover profits and damages for any and all infringements thereof whether past or future; and

II. Agree, when requested, to exert our best efforts to communicate to said assignee, its successors, assigns, and legal representatives, any facts known to us respecting said rights, to testify in any legal proceeding respecting said rights, to execute all applications, papers or instruments necessary or required by said assignee, its successors, assigns and legal representatives to carry into effect any of the provisions of this instrument, and generally to do everything reasonably possible to aid said assignee, its successors, assigns, and legal representatives to obtain and enforce proper patent protection for said inventions in any and all countries.

III. We hereby acknowledge that any willful false statement made in this assignment and declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.
