## ASSIGNMENT

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, (1) William Lloyd Beling, (2) Kristin Finberg and (3) Ronald Gene Travis, the undersigned,

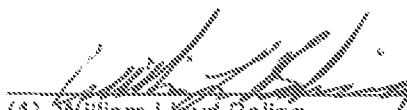

Hereby, sell, assign and transfer to Smiths Medical ASD, Inc., having a place of business at 160 Weymouth Street, Rockland, MA 02370 its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries in the invention entitled PORTAL AND SEPTUM THEREFOR

- (a) for which an application for United States Letters Patent was filed on March 12, 2014, and identified by United States Serial No. 14/205,448; or  
(b) for which an application for United States Letters Patent was executed by the undersigned on date(s) indicated below; or  
(c) for which a provisional application under 37 CFR 1.53(c) naming the above inventor(s) for the above-entitled invention was executed by the undersigned on date(s) indicated below;

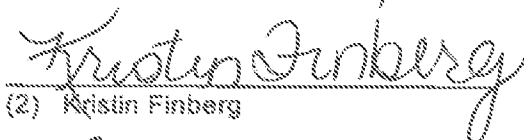

and in and to said application (including application converted from a provisional application) and all divisional, continuation, continuation-in-part, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any and all improvements related thereto; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said improvements;

Agree that said Assignee may apply for and receive Letters Patent for said improvements in its own name; and that, when requested, without charge to but at the expense of said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said improvements and for vesting title to said improvements and all applications for patents and all patents on said improvements, in said Assignee, its successors, assigns and legal representatives; and

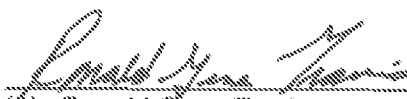

Covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same is herein possessed by the undersigned.
