ASSIGNMENT

For valuable consideration, I, POON, Shun Sang at
HONG KONG

hereby assign to

KING'S FLAIR DEVELOPMENT LTD., a corporation having a place of business at 12/F. Yardley Commercial Building, 3 Connaught Road West, Hong Kong; and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the inventions and improvements which are the subject of an application for United States Patent signed by me, with title Detachable..., filed 03/14/2014, and assigned U.S. Serial Number 14/210,822, and I/we authorize and request the attorneys appointed in said application to hereafter complete this assignment by inserting above the filing date and serial number of said application when known; this assignment including said application, any and all United States and foreign patents, utility models, and design registrations granted for any of said inventions or improvements, and the right to claim priority based on the filing date of said application under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I/we authorize the Assignee to apply in all countries in my name or in its own name for patents, utility models, design registrations and like rights of exclusion and for inventors' certificates for said inventions and improvements; and I/we agree for myself and my respective heirs, legal representatives and assigns, without further compensation to perform such lawful acts and to sign such further applications, assignments, preliminary statements and other lawful documents as the Assignee may reasonably request to effectuate fully this assignment.

IN WITNESS WHEREOF, I hereto set my hand this 10th day of April, 2014

POON, Shun Sang
