ASSIGNMENT OF RIGHTS TO
SUNNYBROOK RESEARCH INSTITUTE
BY THE INVENTOR

In consideration of the sum of two dollars (\$2.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and in accordance with the provisions of the intellectual property policy of Sunnybrook Research Institute, Angus Z. Lau and Charles H. Cunningham his/her heirs, executors, administrators and assigns (collectively the "Assignor") hereby sell, assign and transfer to Sunnybrook Research Institute, its successors and assigns (collectively the "Assignee") all right, title and interest which the Assignor now has or may hereafter have in an invention described as

Functional Brown Adipose Tissue Imaging Technique

in Appendix A annexed hereto (the "Invention"); or previously provided Invention Disclosure form SB344], including, without limitation, the right to apply for patents in Canada, the United States of America and any other country, the right to receive any letters patent that may be issued from any such applications, the right to have any letters patent that have been granted transferred into the name of the Assignee, and the right to sell, license or assign the Invention or the rights thereto.

The Assignor hereby releases the Assignee from any and all manner of claims and demands which the Assignor may now have or may in future have in respect of the Invention or in connection with the patenting, sale or licensing thereof.

The Assignor agrees to execute any additional documents that the Assignee may consider necessary or desirable from time to time in order to obtain, maintain, vest in or assign title to the Invention or any patents, copyright, integrated circuit topography, industrial design or trade mark registrations for the Invention; or in order to apply for, prosecute, obtain or protect any such patents, copyright, integrated circuit topography, industrial design or trade mark registrations in any and all jurisdictions.

The parties agree that each has been advised to and given the opportunity to seek independent legal advice before signing this Agreement, and that neither has relied upon the other party for advice (whether legal or otherwise) with respect to this Agreement. This Agreement contains the entire understanding between the parties and supersedes any previous understandings or agreements, written or oral, concerning this matter.

This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original and all of which, together, shall constitute one and the same instrument. For the purposes of this Agreement, the signature of any party hereto evidenced by a telecopy showing such signature shall constitute conclusive proof for all purposes of the signature of such party to this Agreement.
