ASSIGNMENT CONFIRMATION

Whereas, we, Adam Dittli and Robert J. Martinsen have invented a certain invention as described in the following patent application:

U.S. Patent Application No. 61/875,679 filed on September 9, 2013, entitled "Laser Patterning of Multi-Layer Structures"

which application is referred to as "the patent application."

Whereas, nLIGHT Photonics Corporation ("nLIGHT"), a Corporation organized under the laws of the State of Delaware, having a place of business at 5408 NE 88th Street, Bldg. E, Vancouver, Washington, 98665, desires to acquire an interest therein:

Now, therefore, in view of the assignment of our inventions to nLIGHT pursuant to our respective Confidential Information, Invention Assignment and Non-Competition Agreements, we, Adam Dittli and Robert J. Martinsen, hereby confirm our assignment and transfer to nLIGHT, the full and exclusive right, title, and interest in and to said invention, patent application, and patent rights throughout the world, including foreign patent priority rights and the right to file and prosecute International Applications under the Patent Cooperation Treaty; said invention, patent application, and letters patent in this or any foreign country, and all divisions, continuations, reissues, and extensions thereof, to be held and enjoyed by nLIGHT, for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment to nLIGHT not been made, and covenant that we have full right so to do, and agree that we will communicate to nLIGHT, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid nLIGHT, its successors, and assigns, to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We hereby grant the legal representatives of nLIGHT the power to insert on this Assignment Confirmation any further information which may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
