ASSIGNMENT

WHEREAS, We, Philippe Loisselle of Montreal, Canada, Jürgen Scherber of Friedberg, Germany and Nils Krumme of Feldafing, Germany, have made certain inventions which are described in a U.S. patent application entitled **ROTATING POWER TRANSFORMER**, having serial number 13/788,704, filed March 7, 2013, preparatory to obtaining United States Letters Patent therefor, and further described in International Patent Application No. PCT/EP2011/066009 filed on September 15, 2011 which claims benefit to German Patent Application No. 102010040848.4 filed on September 15, 2010, and

WHEREAS, Schleifring und Apparatebau GmbH (hereinafter referred to as said Company), a German corporation having a place of business at Am Hardtanger 10, 82256 Fürstentfeldbruck, Germany, is desirous of acquiring the entire interest in said inventions throughout the United States of America and the territories thereof, for all other countries and under all international agreements,

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, receipt whereof is hereby acknowledged, we hereby sell, assign and transfer unto said Company, its successors and assigns, the entire right, title and interest throughout the United States of America and the territories thereof, for all foreign countries and under all international agreements in and to said inventions, the aforesaid application, all other applications hereafter filed in the United States, in any other country, or under any international agreement based in whole or in part on said inventions, and all Letters Patents granted upon said applications by the United States, by any other country or under any international agreement, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to said Company. We further grant to said Company, its successors and assigns, the right to claim for any of said applications the full benefits and priority rights of any international agreement between the United States and any foreign country or countries or between any other countries.

We hereby warrant that we have the full right to make the conveyance herein, and we hereby covenant that we, our heirs, legal representatives and assigns, will when requested, communicate to said Company, its representatives, successors and assigns, all facts known respecting said inventions, execute all divisional, continuing, reissue, reexamination and foreign or international applications, together with individual assignments therefor, make all rightful oaths, sign all lawful papers, testify in any legal proceeding and generally do everything possible to aid said Company, its successors and assigns, in the obtaining of Letters Patent.

IN TESTIMONY WHEREOF, we have hereunto set our hands and seals at the location and on the date indicated with our signatures.
