and all the rights and privileges under any and all Letters Patent of the United States and foreign countries which may be obtained on said applications and any and all other applications which the Assignor may file, either solely or jointly with others, on said inventions or improvements, and in any reissue or extension of such Letters Patent, and any divisions, continuations, reissues, and extensions thereof, and further assigns to the Assignee the priority right provided by an international convention or treaty.

The Assignor assigns to the Assignee the entire right to sue for past infringement of any and all such Letters Patent.

The Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and the corresponding individual and/or entity of foreign countries, to issue said Letters Patent to the Assignee.

The Assignor warrants itself to be the owner of the entire right, title, and interest in said inventions or improvements and to have the right to make this assignment, and further warrants that there are no outstanding prior assignments, licenses, liens, or other encumbrances on the interest herein assigned.

For said consideration the Assignor hereby agrees, upon the request and at the expense of the Assignee, to execute any and all divisional, continuation and substitute applications for said inventions or improvements, and all applications claiming priority therefore, and any necessary oath, affidavit or declaration relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said applications, and any and all applications and other documents for Letters Patent in foreign countries on said inventions or improvements, and for said consideration, the Assignor authorizes the Assignee to apply for Letters Patent for said inventions or improvements in its own name in such countries and further agrees, upon the request of the Assignee, to cooperate to the best of the ability of the Assignor with the Assignee in any proceedings or transactions involving such applications or Letters Patent, including the preparation and execution of preliminary statements, giving and producing evidence, and performing any and all other acts necessary to obtain said Letters Patent, in both the United States and other countries, and vest all rights therein hereby conveyed in the Assignee, whereby said Letters Patent will be held and enjoyed by the Assignee, to the full end of the term for which said Letters Patent will be granted, as fully and entirely as the same would have been held and enjoyed by the Assignor if this assignment has not been made.

WITNESS my hand and seal this 5th day of August, 2010.
