## ASSIGNMENT

FOR VALUE RECEIVED, each undersigned inventor (hereinafter referred to simply and collectively as "Assignor"),

**URRUTIA, Cesar**, citizen of **Canada**,  
**129 Tierra Avenue**  
**Maple, Ontario, L6A 2Z3**  
**Canada**

hereby confirms to have sold, assigned, transferred and conveyed, and do hereby sell, assign, transfer and convey unto **INCOUR INNOVATIONS LTD.**, a corporation incorporated under the laws of Canada, having a place of business at:

**129 Tierra Avenue**  
**Maple, Ontario, L6A 2Z3**  
**Canada**

its successors, assigns and legal representatives (hereinafter called the "Assignee"), the entire right, title and interest, for all countries, in and to certain inventions relating to

## PIVOTING GARDEN RAKE

described in application for Letters Patent of the United States filed herewith.

AND in and to all inventions, works, trade secrets, copyright, patent rights, and other intellectual property and intellectual property rights and rights to apply therefore that are owned by the Assignor and related to or required by the invention described above, or were created by the Assignor in the course of creating the invention described above,

AND in and to said applications, and all divisions, renewals and continuations thereof, and all Letters Patent of the United States which may be granted, thereon, and all reissues and extensions thereof, and all applications for Letters Patent or other grants of protection of proprietary rights including, but not limited to, inventor's certificate, utility model, utility certificate, patent of importation, registration of patent and industrial design registration which may be filed, and which may be granted, upon said inventions in any countries or regions foreign to the United States, and all reissues, renewals and extensions thereof; and the Assignor hereby authorizes and requests the Commissioner for Patents and Trademarks of the United States, and all officials of countries or regions foreign to the United States having authority so to do, to issue all such Letters Patent or other grants of protection upon said inventions to the Assignee or to such nominees as it may designate,

AND the Assignor authorizes and empowers said Assignee or nominees to invoke and claim for any application for such Letters Patent or other grants of protection for said invention filed by it or them, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by a convention which may henceforth be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from the Assignor,

AND the Assignor hereby consents that a copy of this assignment shall be deemed a full and formal equivalent of any assignment, consent to file or like document which may be required in any country or region for any purpose and more particularly in proof of the right of said Assignee or nominees to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it,

AND the Assignor hereby covenants that the Assignor has the full right to convey the entire right, title and interest herein assigned, and other than the Assignor, the other inventors named when filing the above applications, and the Assignee, the Assignor is not aware of any person or entity that may have any right, title or interest in the inventions or other intellectual property, intellectual property rights and rights to apply therefore that are referred to in this Assignment, and that the Assignor has not executed and will not execute any agreement in conflict herewith,

AND the Assignor hereby covenants and agrees that the Assignor will communicate to said Assignee or its nominees all facts known to the Assignor pertaining to said inventions, and testify in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and enforcing all lawful patent or other grants of protection of said inventions in any and all countries and regions; provided that Assignee shall pay all reasonable expenses related thereto,

AND the Assignor agrees that in all respects this assignment shall be treated and interpreted as a contract entered into in the Province of Ontario, Canada, and governed by the laws of that Province without reference to the conflicts of laws provisions of that Province,

AND the Assignor grants to the Assignee, or its patent attorneys, or its patent agents, the authority to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office, on any other patent office, for recordation of this Assignment,

AND the Assignor acknowledges that the Assignor has been provided with an opportunity to obtain independent legal advice regarding this agreement, and the Assignor has been advised that it may be appropriate to obtain such advice. Neither the Assignee nor any of its advisors have provided the Assignor with any legal advice.

IN TESTIMONY WHEREOF, this Assignment has been executed on the date set forth below:
