NUNC PRO TUNC ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR,

Sanjiv M. Narayan

effective as of the respective filing dates of the patent applications identified in Attachment A, did hereby sell, assign and transfer to ASSIGNEE, The Regents of the University of California, having a place of business at 1111 Franklin Street, 5th Floor, Oakland, California 94607, and their successors, assigns and legal representatives of the ASSIGNEES all of his right, title and interest for the United States and its territorial possessions and in all foreign countries in and to, any and all improvements which are disclosed in the patent applications listed in Attachment A, all listing the above-named person as inventor, and any legal equivalent thereof in a foreign country, including the right to claim priority and, in and to, all Letters Patent to be obtained from said invention by the above application or any continuation, divisional, continuation-in-part, conversion to 35 U.S.C. 111(a) or substitute thereof, and any reissue, reexamination or extension of said Letters Patent and all rights under all International Conventions for the Protection of Industrial Property;

ASSIGNOR hereby states that he believes himself to be an original inventor or an original joint inventor of a claimed invention in the subject patent applications, and that said subject patent applications have been made or authorized to be made by him. ASSIGNOR hereby acknowledges that any willful false statement made in this statement is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

ASSIGNOR hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into that would conflict with this assignment. For any patent application listed in Attachment A that has previously been the subject of an assignment executed by ASSIGNOR, this assignment is confirmatory only, and no modification of such assignment is intended hereby.

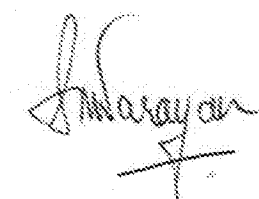

ASSIGNOR further covenants that ASSIGNEE will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to ASSIGNOR and will testify as to the same in any interference, litigation or proceeding relating thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue or enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.

An attorney of record is authorized and requested by the execution of this assignment to insert into this assignment the filing date and serial number of said application when officially known.

AND the ASSIGNOR requests the Commissioner of Patents and Trademarks to issue said Letters Patent of the United States and any reissue or extension thereof to the ASSIGNEE, The Regents of the University of California.
