ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, Orangewood Legacy LLC, a Delaware limited liability company, formerly known as Pixi Lighting LLC, having a place of business at 500 N. State College Boulevard, Suite 1300, Orange, CA 92868-1625, USA, hereby assigns to Pixi Lighting, Inc., a Delaware corporation, formerly known as Ever Ventures HM, Inc. whose address for notices is c/o 2140 S. Dupont Highway, Camden, County of Kent, DE 19934, its successors and assigns, its entire right, title and interest, so far as concerns the United States and the Territories and Possessions thereof and all foreign countries, in and to the inventions titled:

LED LIGHT FIXTURE AND ASSEMBLY METHOD THEREFOR

for which a United States provisional patent application was filed on October 23, 2013, under Serial No. 61/894,472, said provisional application, any and all other applications for Letters Patent on said inventions in the United States or in countries foreign to the United States, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said applications and said Letters Patent; said assignee being hereby authorized to file patent applications in any or all countries on any or all said inventions in the name of said assignee or otherwise as said assignee may deem advisable, under the International Convention or otherwise; the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments being hereby authorized to issue or transfer all said Letters Patent to said assignee in accordance herewith; this assignment being under covenant, not only that full power to make the same is had by the assignor, but also that such assigned right is not encumbered by any grant, license, or other right heretofore given, and that the assignor will do all acts reasonably serving to assure that said inventions, patent applications and Letters Patent shall be held and enjoyed by said assignee as fully and entirely as the same could have been held and enjoyed by the assignor if this assignment had not been made, and particularly to execute and deliver to said assignee all lawful documents including petitions, specifications, oaths, assignments, invention disclaimers, and lawful affidavits in form and substance which may be requested by said assignee, to furnish said assignee with all facts relating to said inventions or the history thereof and any and all documents, photographs, models, samples or other physical exhibits which may be useful for establishing the facts of conception, disclosure and reduction to

practice of said inventions, and to testify in any proceedings relating to said inventions, patent applications and Letters Patent.
