ASSIGNMENT{to "ASSIGNMENT"}

WHEREAS, Janssen Pharmaceutica, N.V., a corporation organized under the laws of Belgium ("JANSSEN"), owns, by assignment, all right, title, and interest in the patents and patent applications set forth in Attachment A to this ASSIGNMENT ("Patents").

Furiex Pharmaceuticals, Inc. ("FURIEX"), a Delaware corporation desires to own JANSSEN's entire right, title, and interest in and to the Patents and the inventions described and/or claimed in the Patents, in all countries throughout the world.

NOW THEREFORE, be it known that, for good and valuable consideration, receipt of which is hereby acknowledged, JANSSEN hereby sells, assigns, transfers, and sets over to FURIEX, its lawful successors and assigns, JANSSEN's entire right, title, and interest in and to the Patents, the inventions described and/or claimed therein, and all Letters Patent of the United States that may be granted thereon, and all reissues, reexaminations, and extensions thereof; and all rights to claim priority on the basis of the Patents, and all applications for Letters Patent filed for the inventions described and/or claimed in the Patents in any foreign country and all Letters Patent granted in any foreign country, and all extensions, renewals, and reissues thereof; and JANSSEN hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for the inventions described and/or claimed in the Patents to FURIEX, its successors and assigns, in accordance with the terms of this Assignment;

AND, JANSSEN HEREBY further covenants that JANSSEN has the full right to convey the interest assigned by this Assignment, JANSSEN will take all actions and execute all documents necessary to perfect the interest assigned hereby, and JANSSEN has not executed and will not execute any agreement in conflict with this Assignment.

IN TESTIMONY WHEREOF, each party has caused its authorized representative to execute this Assignment.
