**DECLARATION**

**WHEREAS, EDWARD KOSIOR**.....

**ADDRESS:** 25C Elgin Crescent, London, W11 2JD, United Kingdom.....

(hereinafter referred to as "*the inventor*") claims to be the inventor or joint inventor of an invention the title of which is: **SEPARATION OF COMPONENTS OF PLASTIC** (hereinafter referred to as "*the invention*");

**AND WHEREAS** the invention was made in the course of the duties of the inventor whilst employed by **NEXTEK LIMITED**.....

**ADDRESS:** 25C Elgin Crescent, London, W11 2JD, United Kingdom.....

(hereinafter referred to as "*the Company*") and at the time of making the invention:

1. because of the nature of his duties and the particular responsibilities arising from the nature of his duties he had a special obligation to further the interests of his employer's undertaking; \*
2. the circumstances were such that an invention might reasonably be expected to result from the carrying out of his normal duties; \*
3. the circumstances were such that an invention might reasonably be expected to result from his duties as specifically assigned to him. \*

**AND WHEREAS** the Company has made application for Patent in the United Kingdom of Great Britain and Northern Ireland and the Isle of Man (hereinafter together referred to as "*the United Kingdom*") for the invention;

The inventor and the Company hereby agree and declare as follows:

1. The invention belongs to the Company for the purposes of the Patents Act 1977 and all other purposes;
2. Any and all rights in the invention which do not or may subsequently be held not to belong to the Company in accordance with the provisions of Sections 39-43 of the Patents Act 1977 are hereby assigned to the Company including the right to make application for patent in the United Kingdom and also in foreign countries including application under the European Patent Convention and the Patent Cooperation Treaty for the said invention together with the right to claim priority under the International Convention for the benefit of the Company;
3. The inventor will at the expense of the Company execute and do all such further documents and things as may be required by the Company to give effect to the foregoing.

Executed this 13 day of June 2013
