WORLDWIDE PATENT ASSIGNMENT

WHEREAS, **Koslow Revocable Trust**, a Texas trust having an address at 16402 Bridle Wood, Poway, California, 92064 (hereinafter "Assignor"), is the owner of all right, title and interest to the inventions which are the subject of patent applications as listed in the attached **Schedule A**;

WHEREAS, **Koslow Technologies Corporation**, a Connecticut corporation having an address at 815 Bridge Street West, Waterloo, Ontario, N2V 2M7 (hereinafter "Assignee"), has acquired from the Assignor the entire right, title and interest in and to the said inventions, in all countries of the world, including the rights to the said applications, any national and regional phase applications based on said applications, and any Letters Patent, Registered Utility Models or any registered form of protection that may be obtained from said applications (hereinafter collectively identified as "Registered Rights");

NOW THEREFORE, in consideration of the sum of one dollar (\$1.00), receipt of which is hereby acknowledged, and other good and valuable consideration, the Assignor(s), by these presents confirm that they have sold, assigned and transferred, and do hereby sell, assign and transfer to said Assignee, their entire right, title and interest in the aforesaid inventions as of the effective date of **January 2, 2010**, in all countries of the world, including the rights to the said applications, and all related applications thereon, including any and all national and regional phase entry applications and other counterpart applications in all countries, and any and all substitutes, divisionals, continuations, and continuations-in-part, as well as any Registered Rights, resulting from these applications, and in any and all reissues, extensions, renewals, reexaminations of such applications or Registered Rights, to the full end of the term or terms for which such Registered Rights issue.

The Assignor shall without further consideration do all such things and execute all such documents as may be necessary or desirable to obtain and maintain Registered Rights for said inventions and for additions and modifications thereto in any and all countries, and to vest title thereto in said assignee, its successors, assigns and legal representatives or nominees.

The Assignor(s) hereby grant(s) the firm of Bereskin & Parr LLP (Box 401, 40 King Street West, Toronto, Ontario, Canada M5H 3Y2) the power to insert on this assignment any further identification and any translation which may be necessary or desirable in order to comply with the rules for recordation of this document in any country.
