ASSIGNMENT

WHEREAS, Joseph Saputo, of Shell Beach, California, and Steven Norby, of Shell Beach, California, for good and valuable consideration, receipt of which is hereby acknowledged, have assigned and do hereby assign to AdDividers, LLC a California limited liability company, having its principal place of business at 51 San Miguel Street, Suite D, Avila Beach, California, 93424, its successors, assigns and legal representatives, the entire right, title and interest, in and to all subject matter invented by us and disclosed in the United States patent application entitled:

DIVIDER

signed by each of us contemporaneously with the execution of this assignment; and in and to all patent and all convention and treaty rights of all kinds, including the right to claim priority from said application, and all rights in and to any continuation, continuation-in-part, and divisional application therefrom, and any reissue or re-examination as to any patent issuing therefrom, in all countries throughout the world, for all such subject matter described therein, including all rights of action and rights to recover damages for past infringements. We agree to sign all documents necessary to secure all said patents and rights, and request issuance of all said patents to the above assignee in accordance with this assignment. We also authorize the practitioners associated with Customer Number 22242 to insert here in parentheses (Application number 29/488,940, filed 4/24/2014) the filing date and application number of said application when known.
