## ASSIGNMENT

For good and valuable consideration, the receipt of which is acknowledged, we, the undersigned ASSIGNORS, sell, assign, and transfer, individually and together, to ASSIGNEE,

Trinéitte & Co., a company or corporation organized under the laws of the state of New Jersey, USA, and having a place of business at 45 Tall Oaks Court, Old Bridge, NJ 08857, United States, and its successors and assigns,

all of ASSIGNORS' right, title and interest, throughout the entire United States and its territorial possessions and in all other countries, to the invention entitled:

### AN ARTICLE CARRIER FOR SUPPORTING MULTIPLE ARTICLES AROUND A NECK OF A WEARER

This invention includes all improvements and may be found in one or more of the following documents:

- (a) US Provisional Application Serial No.: 61/372,142, filed on August 10, 2010;
- (b) International Application Serial No.: \_\_, filed on \_\_;
- (c) US Patent Application Serial No.: 13/184,514, filed on July 16, 2011;
- (d) US Patent No.: \_\_, issued on \_\_; and
- (e) any legal equivalent thereof in a foreign country.

*Declaration under 37 C.F.R. § 1.63: The above-identified application or applications was or were made by us, the ASSIGNORS. We believe that we are the original inventors or original joint inventors of a claimed invention in the application or applications. We hereby acknowledge that any willful false statement made in this declaration under 37 C.F.R. § 1.63 is punishable under 18 U.S.C. § 1001 by fine or imprisonment of not more than five (5) years, or both.*

The ASSIGNORS' right, title, and interest in the invention includes without limitation: all rights, privileges, and interests in the invention including any priority claims and ownership rights; all Letters Patent in the US and equivalent patents in any foreign country; any related provisional, utility, design, continuation, division, continuation-in-part, or like applications in the US or equivalent applications in any foreign country; any extension, conversion, substitute, restoration, reissue, reexamination, or equivalent applications and patents; and all rights under any International Convention for the Protection of Industrial Property or similar treaties.

ASSIGNORS represent and agree, individually and together, to the following:

- (1) We are the only inventors of this invention;
- (2) We have the full right to convey the entire right in this invention to the ASSIGNEE;
- (3) We have not executed and will not execute any assignment, conveyance, transfer, sale, mortgage, license, encumbrance, lien, or agreement regarding this invention with anyone other than ASSIGNEE;
- (4) We will provide all information and do all things reasonable and necessary for ASSIGNEE to secure the full rights and benefits of its interest in this invention;
- (5) We authorize the ASSIGNEE, its successors or assigns, to invoke and claim for any application for patent or other form of protection for this invention filed by the ASSIGNEE, the benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may be substituted for it, and to invoke and claim such right of priority without further written or oral authorization from us;

(6) We will provide all pertinent facts, documents, and electronic files regarding this invention to ASSIGNEE as may be known and accessible to ASSIGNORS;

(7) We will provide all papers, instruments, affidavits, documents, materials, and other information that may be required or desired by ASSIGNEE to apply for, obtain, maintain, issue, or enforce any patent in the U.S. or another country for this invention;

(8) We will testify and provide evidence for use in any interference, opposition, reexamination, litigation, or other proceeding related to this invention in the U.S., any foreign country, or other jurisdiction; and

(9) We, for ourselves, and our heirs, executors and administrators, will execute and deliver all patent applications, declarations, oaths, assignments, powers of attorney, and other documents to ASSIGNEE and will perform any other lawful acts, that may be deemed necessary by ASSIGNEE to secure its interest in this invention, without further consideration;

(10) We consent that a copy of this document shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly in proof of the right of the said ASSIGNEE to claim the benefit of the right of priority provided by the International Convention which may be substituted for it; and

ASSIGNORS authorize, by the execution of this assignment, an attorney of record to insert into this document the serial number(s), filing date(s), patent number, and issue date when officially known. ASSIGNORS also authorize an attorney of record to insert into this document any further identification information necessary or desirable for the filing or recordation of this document.

ASSIGNORS request the U.S. Commissioner of Patents and Trademarks to issue Letters Patent of the United States, including any reissue or extension thereof, to the ASSIGNEE.

This Assignment is executed by ASSIGNORS on the latest date opposite the signatures of ASSIGNORS.
