**COMBINED ASSIGNMENT AND OATH / DECLARATION FOR UTILITY/DESIGN  
APPLN. USING APPLICATION DATA SHEET**

<b>Title of Invention</b>	VAGINAL MANIPULATOR
-------------------------------	---------------------

As the below named inventor, I hereby declare that:

This declaration is directed to:  The attached application, or  
 United States application or PCT international application number \_\_\_\_\_  
filed on \_\_\_\_\_  
based on Patent Application(s) No(s).

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than five (5) years, or both.

I have reviewed and understand the subject matter of the above-identified application, including the claims.

I am aware of and acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability of the application as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

WHEREAS, COLOPLAST A/S, a corporation organized and existing under the laws of the Country of Denmark, and having a principal place of business at Holteedam 1, 3050 Humlebaek, Denmark here after referred to as "Corporation," is desirous of acquiring the entire right, title and interest in and to the claimed invention for the United States and for all foreign countries and in and to any and all foreign and domestic Letters Patent which may be granted for the above identified application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, transferred and set over and by this document do sell, assign, transfer and set to the Corporation, its successors and assigns, the entire right, title and interest in and to the invention and the entire right, title and interest in and to any and all Letters Patent of the United States and any foreign countries which may be granted therefor including my rights under the International Convention for the Protection of Industrial Property, and in and to any and all extensions, divisionals, continuations, continuations-in-part or reissues of the Letters Patent that may be granted, the same to be held and enjoyed by Corporation for its own use and benefit and use and benefit of its successors and assigns to the full end of the term for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made, and also hereby authorize Corporation and its employees to insert the serial number and filing date above after this document has been executed if necessary;

Note: An application data sheet (PTO/AIA/14 or equivalent), including naming the entire inventive entity, must accompany this form. Use an additional form for each additional inventor.

**COMBINED OATH AND DECLARATION FOR UTILITY/DESIGN APPLN. USING  
APPLICATION DATA SHEET**

AND, for the consideration acknowledged, I materially represent to Corporation, its successors and assigns, that at the time of the execution and delivery of this assignment, I am a lawful owner of the entire right, title and interest in and to the claimed invention of the application and Letters Patent mentioned above, and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same by this assignment;

AND, for the consideration acknowledged, I agree to, and with Corporation and its successors and assigns, that whenever its counsel or the counsel of its successors or assigns, shall advise that an amendment or divisional of, or continuation or continuation-in-part thereof, or any other proceeding in connection with the filing or prosecution of the domestic or foreign patent applications, including interference proceedings, is lawful and desirable, or that a reissue or extension of the Letters Patent is lawful and desirable, I, or my executor or administrator will sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for the invention, or for the reissue or extension of the same, without charge to Corporation or its successors or assigns.

I am aware of and acknowledge the duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability of the application as defined in 37 CFR 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT International filing date of the continuation-in-part application.

WHEREAS, COLOPLAST A/S, a corporation organized and existing under the laws of the Country of Denmark, and having a principal place of business at Holteedam 1, 3050 Humlebaek, Denmark here after referred to as "Corporation," is desirous of acquiring the entire right, title and interest in and to the claimed invention for the United States and for all foreign countries and in and to any and all foreign and domestic Letters Patent which may be granted for the above identified application;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, I have sold, assigned, transferred and set over and by this document do sell, assign, transfer and set to the Corporation, its successors and assigns, the entire right, title and interest in and to the invention and the entire right, title and interest in and to any and all Letters Patent of the United States and any foreign countries which may be granted therefor including my rights under the International Convention for the Protection of Industrial Property, and in and to any and all extensions, divisionals, continuations, continuations-in-part or reissues of the Letters Patent that may be granted, the same to be held and enjoyed by Corporation for its own use and benefit and use and benefit of its successors and assigns to the full end of the term for which the Letters Patent may be granted, as fully and entirely as the same would have been held and enjoyed by me had this assignment and sale not been made, and also hereby authorize Corporation and its employees to insert the serial number and filing date above after this document has been executed if necessary;

Note: An application data sheet (PTO/AIA/14 or equivalent), including naming the entire inventive entity, must accompany this form. Use an additional form for each additional inventor.

**COMBINED OATH AND DECLARATION FOR UTILITY/DESIGN APPLN. USING  
APPLICATION DATA SHEET**

AND, for the consideration acknowledged, I materially represent to Corporation, its successors and assigns, that at the time of the execution and delivery of this assignment, I am a lawful owner of the entire right, title and interest in and to the claimed invention of the application and Letters Patent mentioned above, and that the same are unencumbered, and that I have good right and lawful authority to sell and convey the same by this assignment;

AND, for the consideration acknowledged, I agree to, and with Corporation and its successors and assigns, that whenever its counsel or the counsel of its successors or assigns, shall advise that an amendment or divisional of, or continuation or continuation-in-part thereof, or any other proceeding in connection with the filing or prosecution of the domestic or foreign patent applications, including interference proceedings, is lawful and desirable, or that a reissue or extension of the Letters Patent is lawful and desirable, I, or my executor or administrator will sign all papers and drawings, take all rightful oaths, and do all acts necessary or required to be done for the procurement of valid Letters Patent for the invention, or for the reissue or extension of the same, without charge to Corporation or its successors or assigns.

IN WITNESS OF THE ABOVE, I SIGN

INVENTOR William Atwood
