ASSIGNMENT

WHEREAS I, Richard Brockway ("Assignor"), having an address of 3079 Saint Johns Lane, Ellicott City Maryland 21042, have made a certain new and useful invention as set forth in an application for United States Letters Patent entitled Conventional Fixed Station Interface for Legacy Base Station Equipment; desire to assign such application to the United States Department of Homeland Security ("DHS") on the date of execution of this document, as shown below.

AND WHEREAS, the United States Department of Homeland Security ("Assignee"), having an address of *Assistant General Counsel for Intellectual Property, Department of Homeland Security, Office of the General Counsel / Science and Technology Directorate, Mail Stop 0205, 245 Murray Lane, Washington, DC, 20528*, is desirous of acquiring the entire right, title and interest in and to said invention, and in and to any and all Letters Patent of the United States and foreign countries which may be obtained therefor;

NOW, THEREFORE, for good and valuable consideration, Richard Brockway does hereby assign to DHS, its legal representatives, successors, and assigns, all title, interest, and ownership in said invention, including the right to claim priority under 35 U.S.C. §119 and the right to sue for past infringement, as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention.

AND Assignor requests the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
