PATENT

Atty. Docket No. HAH-PT085 (25989)

ASSIGNMENT AND DECLARATION

As a below named inventor of the invention titled:

SINTERING DEVICE

DECLARATION

I (the undersigned) hereby declare and state the following:

This Declaration is directed to the application attached hereto. If the application is not attached hereto, the application is identified by the attorney docket number set forth above and/or the following:

United States Letters Patent, U.S. Patent Application
No. 14/356,293, filed on May 5, 2014.

The above-identified application was made or authorized to be made by me.

I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.

I have reviewed and understand the contents of the above-identified application, including the claims.

I acknowledge the duty to disclose information which is material to patentability as defined in Title 37, Code of Federal Regulations § 1.56.

I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. 1001 by fine or imprisonment of not more than 5 years, or both.

ASSIGNMENT

The undersigned hereby authorizes assignee or assignee's representative to insert the Application Number and the filing date of this application if they are unknown at the time of execution of this assignment.

Assignee

Amann Girrbach AG

Assignee State or Country
of Incorporation

Atty. Docket No. HAH-PT085 (25989)

Assignee Address Herrschaftswiesen 1
A-6842 Koblach
AUSTRIA

Assignee is desirous of acquiring the entire right, title and interest in the invention, all applications for and all letters patent issued on the invention in the United States.

For good and valuable consideration, the receipt and sufficiency of which is acknowledged, the undersigned, intending to be legally bound, does hereby sell, assign and transfer to the assignee and assignee's successors, assigns and legal representatives the entire right, title and interest in the invention and all patent applications thereon, for the United States, including the application for United States Letters Patent entitled as above, and all divisions and continuations thereof, and in all letters patent, including all reissues and reexaminations thereof, in the United States, including the right to claim priority under the Paris Convention or other treaty.

It is agreed that the undersigned shall be legally bound, upon request of the assignee, to supply all information and evidence relating to the making and practice of the invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention in the United States for the benefit of the assignee, and to execute all instruments proper to carry out the intent of this instrument.

The undersigned warrants that the rights and property herein conveyed are free and clear of any encumbrance.

This Assignment may be executed in multiple counterparts, each of which shall be deemed to be an original of this Assignment. Additionally, the undersigned hereby authorizes our attorneys to collect the signature pages of each executed counterpart and to attach those signature pages to a single copy of this instrument, which single copy and attached signature pages together shall constitute an original of this Assignment.
