WITNESSETH: That,

WHEREAS, **East Carolina University**, a constituent institution of the University of North Carolina and an educational institution chartered under the laws of the State of North Carolina having a principal office at 210 Spilman Building, Greenville, North Carolina, hereinafter referred to as "Assignee," has acquired and/or is desirous of acquiring our entire right, title and interest in and to any and all inventions described in said applications, and in and to any and all Letters Patent which shall be granted therefor in the United States of America and all foreign countries; and

WHEREAS, we developed said invention(s) while working under contract with said Assignee;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold and/or by these presents do hereby sell, assign, transfer, and convey unto said Assignee, its successors and assigns, our entire right, title, and interest in said applications and to any and all inventions described in said applications, and in and to any and all subsequent patent applications which claim the benefit of priority from either of said applications including regular continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or
