ASSIGNMENT

THIS ASSIGNMENT, made and entered into by **Reading Comprehension Solutions, Inc.**, having a principal office at 2800 Marylebone Circle, Greenville, NC 27858, hereinafter referred to as "Assignor," and **East Carolina University**, a constituent institution of the University of North Carolina and an educational institution chartered under the laws of the State of North Carolina having a principal office at 210 Spilman Building, Greenville, North Carolina, hereinafter referred to as "Assignee";

WHEREAS, Todd Carter is a joint inventor of certain new and useful improvements in METHODS, SYSTEMS, AND DEVICES FOR MULTI-USER IMPROVEMENT OF READING COMPREHENSION USING FREQUENCY ALTERED FEEDBACK for which U.S. Patent Application Serial No. 14/138,664 was filed in the United States Patent and Trademark Office on December 23, 2013, and for which Patent Cooperation Treaty (PCT) Application Serial No. PCT/US2013/077458 was filed December 23, 2013 with the United States Patent and Trademark Office as the International Receiving Office;

WHEREAS, inventor Todd Carter is an employee of Assignor;

NOW, THEREFORE, To Whom It May Concern, be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has sold and/or by these presents does hereby sell, assign, transfer, and convey unto said Assignee, its successors and assigns, its and inventor Todd Carter's entire right, title, and interest to said applications and in and to any and all inventions described in said applications and in and to any and all subsequent patent applications which claim the benefit of priority from either of said applications including continuations, continuations-in-part, or divisions thereof, and in and to any and all Letters Patent of the United States of America and all foreign countries or reissues or other forms of protection thereof which may be granted therefor or thereon, for the full end of the term for which said Letters Patent may be granted along with any term extensions thereon or therefor, together with the right to claim the priority of either said applications and the related prior U.S. Provisional Application Serial No. 61/748,565, filed January 3, 2013 in all foreign countries in accordance with the International Convention, the same to be held and enjoyed by said Assignee, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made.

Assignor hereby requests that said Letters Patent be issued in accordance with this assignment.

Assignor further covenants and agrees that, at the time of the execution and delivery of these presents, Assignor had previously assigned to Assignee its title to said invention(s) and/or applications above-mentioned.

Assignor further covenants and agrees to communicate to said Assignee or its representatives any facts known to Assignor relating to said invention(s), to testify in any interference or legal proceedings involving said invention(s), to execute any additional papers which may be requested to confirm the right of said Assignee, its representatives, successors, or assigns to secure patent or similar protection for said invention(s) in all countries and to vest in said Assignee title to said invention(s) and Letters Patent, without further compensation, but at the expense of said Assignee, its successors, assigns, and other legal representatives; and Assignor hereby instructs, and further covenants and agrees to bind Assignor's successors, heirs, legal representatives, and assigns, to do same, without further compensation, but at the expense of said Assignee or its representatives.

IN WITNESS WHEREOF, Assignor, by signature below, has caused this assignment to be executed. The undersigned warrants and represents that he/she has the authority to sign this assignment on behalf of the Assignor, **Reading Comprehension Solutions, Inc.**
