## PATENT ASSIGNMENT

For good and valuable consideration, receipt of which is hereby acknowledged, we, Scott Harold Wilson of 1916 W. Huron Street, Chicago, Illinois 60622; Dennis Matthew Puhalla, 2242 W. Chicago Avenue, #302, Chicago, Illinois 60622; Jon Godston of 3100 W. Lyndale Street, Chicago, Illinois 60647; and Kevin Gerard Brennan, 116 Hamilton Street, Wheaton, Illinois 60189, in the United States of America, hereby sell and assign to Wimo Labs LLC, a corporation organized and existing under the laws of the State of Illinois, having its principal place of business at 939 West Lake Street, Chicago, Illinois 60607, U.S.A. ("Assignee"), its successors, assigns, nominees, or other legal representatives, the entire right, title, and interest in and to the invention entitled "Portable Electronic Device Case" invented by us and set forth in United States design patent application Serial No. 29/424,390, including any patent resulting therefrom, including all applications claiming the benefit thereof, and all original and reissued patents granted on any such application, and all divisions and continuations of any such application, including the subject matter or any and all claims which may be obtained in every such patent, and the right to apply for and obtain patents, registered designs and Utility Model registrations which may be granted thereon in any foreign countries. We hereby authorize and request the Commissioner of Patents and Trademarks of the United States, and any official of any other country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue said Letters Patent, Registered Design or Utility Model Registration to Assignee, its successor, assigns, nominees, or other legal representatives, as assignee of the entire interest herein assigned.

We covenant that we have not executed and will not execute any agreement in conflict herewith and agree that we will communicate to the Assignee, its successors, assigns, nominees, or other legal representatives, all facts known to us respecting said invention, whenever requested, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do all lawful acts requisite for the application for such divisional, continuing, or reissue applications, or the procuring thereof, and that if and when the Assignee, its successors, assigns, nominees, or other legal representatives desire to file a disclaimer relating thereto, we will, upon request, sign all lawful papers requisite for the filing of such disclaimer.

We further covenant and agree that we will, at any time upon request, do everything legally possible to aid the Assignee, its successors, assigns, nominees, or other legal representatives, either in its or their own names, to apply for, obtain, and enforce proper patent, registered design and/or Utility Model protection for said invention in all countries, all without further consideration but at the expense of the Assignee, its successors, assigns, nominees, or other legal representatives.
