ASSIGNMENT

WHEREAS, WE, Cyuthla N. Oliver (a citizen of the United States, residing at 13517 Stonebam Lane, N. Potomac, Maryland 20878); Erica Shane (a citizen of the United States, residing at 7254 Spring Side Way, McLean, Virginia 22101); Benjamin S. Isaacs (a citizen of the United States, residing at 31 Andover Country Club Lane, Andover, Maryland 01810); Christian B. Allan (a citizen of the United States, residing at 4401 Gregg Road, Brookville, Maryland 20833); and Stephen Chang (a citizen of the United States, residing at 329 Selwyn Drive, Frederick, Maryland 21701), are inventors of the invention in STABILIZED LIQUID ANTI-RSV ANTIBODY FORMULATIONS for which we have executed an application for a Patent of the United States

- which is executed on even date herewith or
- which is identified by Pennie & Edmonds LLP docket no. 10271-026-999
- which was filed on June 13, 2003, Application No. 10/461,904
- We hereby authorize and request our attorney, of Pennie & Edmonds, LLP, to insert here in parentheses (Application number, _____ filed _____) the filing date and application number of said application when known.

and WHEREAS, MEDIMMUNE, INC., having a principal place of business at 35 West Watkins Mill Road, Gaithersburg, Maryland 20878, ASSIGNEE is desirous of obtaining our entire right, title and interest in, to and under the said invention and the said application:

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to us in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, we, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, our entire right, title and interest in, to and under the said invention, and the said United States application and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals and reissues thereof;

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant and agree that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to the said ASSIGNEE, its successors, legal representatives and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in all countries.
