<p style="text-align: center;">ASSIGNMENT to NSE Products, Inc.</p>	Attorney Docket No.:	Page 1 of 2
	First Named Inventor:	Ben James Watson
	Title:	FLUID CARTRIDGE
	Docket No.	P242672.US.01

WHEREAS, Ben James Watson, of Hertfordshire, United Kingdom; and Neil Baron, of London, United Kingdom, have invented certain new and useful improvements as described in an application entitled **FLUID CARTRIDGE** for Letters Patent of the United States, the application being identified by the Attorney Docket Number set forth above and/or being identified in the United States Patent and Trademark Office by Application No. 29/473,250, filed November 20, 2013;

WHEREAS, Seymourpowell Ltd., a limited liability company registered in England and Wales, and having offices at 1st Floor, 30 Park Street, London, SE1 9EQ ("Seymourpowell"), is the employer of Ben James Watson and Neil Baron and has certain rights regarding inventions made by them in connection with their employment;

WHEREAS, NSE Products, Inc., a corporation organized and existing under the laws of the State of Delaware, and having offices at 75 West Center Street, Provo, Utah 84601 ("Assignee"), has engaged Seymourpowell [by agreements dated _____], to perform certain product design and development services for a Fluid Dispenser product on condition that Assignee will own all intellectual property rights resulting from Seymourpowell performing that engagement;

WHEREAS, Assignee and Seymourpowell agree that all contributions of Ben James Watson and Neil Baron to the subject matter of the above- identified application were made pursuant to Assignee engaging Seymourpowell, to perform certain product design and development services for a Fluid Dispenser product on condition that Assignee will own all intellectual property rights resulting from Seymourpowell performing that engagement and Assignee desires to formally acquire the entire right, title and interest in and to the above-identified invention, the application, and any and all Letters Patent or similar legal protection, foreign or domestic, to be obtained therefor;

WHEREAS, Assignee and Seymourpowell desire that for simplicity all contributions of Ben James Watson and Neil Baron to the subject matter of the above identified application as employees of Seymourpowell shall be and by this document are acquired by Assignee directly from Ben James Watson and Neil Baron;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, each of Ben James Watson and Neil Baron transfer to Assignee, its successors and assigns, his entire right, title, and interest in and to the invention, the above-identified patent application, corresponding domestic applications (including provisionals, non-provisionals, divisionals, continuations, and continuations-in-part, reissues, reexaminations or extensions thereof), corresponding foreign applications, all Letters Patent or similar legal protection issuing thereon, and all rights and benefits under any applicable treaty or convention; and authorizes the Commissioner of Patents and Trademarks of the United States or foreign equivalent thereof to issue the Letters Patent or similar legal protection to the Assignee.

If the application number and filing date are unknown at the time of preparing this Assignment, each of Seymourpowell, Ben James Watson and Neil Baron authorize the Assignee, its successors and assigns, to insert this instrument the filing date and application number of the application when ascertained. Each of Seymourpowell, Ben James Watson and Neil Baron authorize the Assignee, its successors and assigns, or anyone it may properly designate, to apply for Letters Patent or similar legal protection, in its own name if desired, in any and all foreign countries.

Seymourpowell agrees that all contributions of Ben James Watson and Neil Baron to the subject matter of the above identified application shall be and by this document are acquired by Assignee directly from Ben James Watson and Neil Baron, with the consent of and with no claim to such contributions being made by Seymourpowell, which waives and disclaims such rights and/or hereby transfers to Assignee, its successors and assigns, any right, title, and interest Seymourpowell may have in and to the invention and rights that Ben James Watson and Neil Baron transfer to Assignee hereunder.

	First Named Inventor: Ben James Watson	
	Title: FLUID CARTRIDGE	
	Docket No. P242672.US.01	

Seymourpowell further agrees that if and to the extent Ben James Watson and Neil Baron are entitled to any inventor compensation as employees of Seymourpowell under the UK Patents Act, such compensation shall be the responsibility of Seymourpowell as employer, not Assignee.

Seymourpowell and each of Ben James Watson and Neil Baron represent to the Assignee, its successors and assigns, that each has not and shall not execute any writing or do any act whatsoever conflicting with this Assignment. Seymourpowell and each of Ben James Watson and Neil Baron agree that its or his executors or administrators, successors and assigns will at any time upon request, without additional consideration, but at the expense of the Assignee, its successors and assigns, execute such additional writings and do such additional acts as the Assignee, its successors and assigns, may deem desirable to perfect its enjoyment of this grant, and render all assistance in making application for and obtaining, maintaining, and enforcing the Letters Patent or similar legal protection on the invention in any and all countries.
