ASSIGNMENT AND AGREEMENT

For value received, I/we, **Brendan English**, in the City of Hull, in the Commonwealth of Massachusetts, do hereby sell, assign and transfer to **Rail Pod Incorporated**, having an office at 1 Battery Road, Hull, MA 02045, and its successors, assigns and legal representatives, the entire right, title and interest, for all countries of the world, in and to certain inventions related to a U.S. non-provisional patent application titled "Personal Transit Vehicle Using Single Rails," filed on March 20, 2014, U.S. Patent Application No. 14/220.994, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I/we also concurrently hereby sell, assign and transfer to **Rail Pod Incorporated** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I/We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Rail Pod Incorporated** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I/We request that any and all patents for said inventions be issued to **Rail Pod Incorporated** in the United States and in all countries foreign to the United States, or to such nominees as **Rail Pod Incorporated** may designate.

I/We agree that, when requested, I/we shall, without charge to **Rail Pod Incorporated**, but at its expense, sign all papers, and do all acts which may be
