ASSIGNMENT OF PATENT RIGHTS

WHEREAS, I, as a below named inventor, am a sole inventor or a joint inventor of certain new and useful invention entitled **Liquid Fertilizer Application System** (hereinafter "Invention") for which application for Letters Patent of the United States of America has been filed identified by U.S. Patent Application No. **11/207,984** filed on **8/19/2005**, issued as U.S. Patent No. **7,096,805** on **8/29/2006** (hereinafter "Patent Rights"); and

WHEREAS, **Totally Tubular Mfg., Inc.**, a corporation organized in the State of South Dakota, having a place of business at 703 2nd Avenue Northwest, Aberdeen, SD 57401 (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said Invention, said Patent Rights and all Letters Patent of the United States and Letters Patent in any and all foreign countries which may be obtained therefore.

NOW, THEREFORE, in consideration of the sum of FIVE DOLLARS (\$5.00), the receipt whereof is hereby acknowledged, and for other good and valuable consideration, I, by these presents do sell, assign and transfer unto said Assignee, the full and exclusive right to said Invention in the United States and its territorial possessions and in all foreign countries (including the right to claim priority under the terms of the International Convention and other relevant International Treaties and Arrangements from the aforesaid application) and the entire right, title and interest in said Patent Rights and to any and all Letters Patent which may be granted therefor in the United States and its territorial possessions and in any and all foreign countries and in and any and all divisions, reissues, continuations, substitutions and renewals thereof.

I hereby authorize and request the Patent Office Officials in the United States and its territorial possessions and any and all foreign countries to issue any and all of said Letters Patent, when granted, to said Assignee as the assignee of my entire right, title and interest in and to the same, for the sole use and behoof of said Assignee, its (his) successors and assigns, to the full end of the term for which said Letters Patent may be granted, as fully and entirely as the same would have been held by me had this Assignment and sale not been made.

Further, I agree that I will communicate to said Assignee or its (his) representatives any facts known to me respecting said invention, and testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, substitute, renewal and reissue applications, execute all necessary assignment papers to cause any and all of said Letters Patent to be issued to said Assignee, make all rightful oaths, and, generally do everything possible to aid said Assignee, its (his) successors and assigns, to obtain and enforce proper protection for said Invention and said Patent Rights in the United States and its territorial possessions and in any and all foreign countries.
