## ASSIGNMENT OF PATENT

Eimar M. Boesjes ("Assignor") is listed on the records of the U.S. Patent and Trademark Office as the sole owner of United States Patent No. 7,924,927 issued to Eimar M. Boesjes on April 12, 2011 (the "Patent").

Assignor represents and warrants that Assignor is the sole owner of the Patent free and clear of any claim, lien, obligation, security interest or other encumbrance.

For valuable consideration the receipt and sufficiency of which is hereby acknowledged, Eimar M. Boesjes hereby sells, assigns, transfers and conveys to Digital Patent, LLC, an Oregon limited liability company ("Assignee"), all right, title and interest in and to the Patent with all associated goodwill, rights of action, powers and benefits relating to or arising from the Patent. This transfer and assignment of interest includes all claims, causes of action, rights and remedies related to or arising out of the Patent, including but not limited to:

1. The right to sue for prior or future infringement of the Patent;
2. The right to sue for misappropriation or violation of any rights or privileges arising out of the Patent; and
3. The right to collect royalties, license fees, compensation and other payments arising out of or relating to the Patent.

The terms and conditions of this Assignment shall extend to and be binding upon and inure to the benefit of the successors, assigns, heirs, legal representatives and personal representatives of Assignor and Assignee.

Each of the parties shall, upon request from the other party, execute and deliver such additional documents and do such other acts and things as may be necessary or convenient for the purpose of evidencing or perfecting any rights or interests arising under this Assignment.
